R. W. BELL, '16, ELECTED

Cross-Country Captain

At a meeting of the championship cross country team last Friday, R. W. Bell, '16, of Arlington, Mass., was elected captain for the coming year. Hitherto the captain of the track team has served also as captain of the cross-country team but since cross-country has grown to be a distinct branch of athletics in itself it was thought advisable to elect a separate captain. Bell certainly deserves this honor for he has worked faithfully since entering college. He was a member of the cross-country and track teams last year, finishing second in the state cross-country race and winning the half-mile in the state track meet. This year his work in cross country has been in every way a credit to him. In the New England race held at Hanover, he finished second to Marceau of Dartmouth and pushed the Green runner to his limit. Bell is a member of Kappa Sigma Fraternity and the Sophomore Owls.

RECEPTION TO MRS. TOWER

The reception given by Alpha Delta Chapter of Phi Kappa Sigma to their new matron, Mrs. Dora Tower, on last Friday evening was a distinct success. The house was prettily decorated with evergreen and the fraternity colors, old gold and black. The ceiling of the reception room was obscured from view by a canopy of black and gold streamers and the lights were shaded with gold.

Across the room ran two arches of evergreen which added the finishing touch to the decoration.

In the receiving line were Mrs. Dora Tower, Dean and Mrs. Stevens, Dean and Mrs. Boardman and J. S. Brooks '14, Miss Alice Merrill of Brewer and Miss Bernice Dix of Bass Harbor served light refreshments.

After the reception the members of the fraternity with their young ladies enjoyed dancing to the strains of Pullen's orchestra until the early hours of the morning. The affair was in every way up to the standard set by Phi Kappa Sigma, and was one of the important social functions of the year.

Among the guests were Miss Hazel Delano of Bangor; Miss Imogene Wormwood of Bangor; Miss Marion Plummer of Oldtown; Miss Virginia Severance of Bangor; Miss Ruth Harvey of Orono; Miss Alice Merrill of Brewer; Miss Mildred Hall of Brewer; Miss Gladys Sturtevant of Pittsfield; Miss Margaret Holyoke of Brewer; Miss Irma Thomas of Brewer; Miss Bernice Dix of Bass Harbor; Miss Frances Dugan of Bangor; Miss Madeline Robinson of Bangor; Miss Myrtle Jones of Bangor; Miss Lynette Philbrook of Bangor; Miss Katherine Fleming of Bangor; Miss May Fleming of Bangor; Miss Helen Norris of Orono; Miss Hazel Lane of Lewiston; Miss Edith Flint of Orono and Miss Mildred Doane of Brewer.

BASKETBALL

Now that football and cross country is over the attention of the athletes is turned to basketball. Although we have no varsity basketball team, yet a goodly amount of enthusiasm is manifested in the class games which take place throughout the winter months. In past years this inter-class series has brought out large audiences and a great deal of spirit has been shown. It is hoped that such will be the case this year. The schedule is being arranged and practice will soon begin. 1914 will probably be made up of the same men as last year as Crocker, Stevens, Sawyer, Abbott, Cobb and Hall are still in college. Both 1915 and 1916 have the same men remaining and they will probably form the nucleus of their respective teams. 1915 has Hutchinson, Williams, Hall, Crandall, Kimball and Hamel and 1916 has Ruffner, Robinson, Purington, Blood, Schneider and Barrows. Just what the freshman will have is a matter of conjecture but it is understood that there is some excellent material.

There are several prep school stars in the entering class who may make the upperclassmen travel to come out ahead. The series will start after the holidays.

PLAN NATIONAL UNIVERSITY

The University of the United States, an educational ideal cherished by President Washington, has begun to take a practical and important place in the thought of educators. It is planned to make this a great national university which will make free use of socially derived income for raising the standards of popular intelligence. At the National Association of State Universities which met recently in Washington, D. C., appointed a committee of three to draw up plans and policies to be submitted to Congress for its approval. A bill will be presented asking for \$500,000 as the first step in the organization of the school. It is significant that the state universities, enlisted in the cause of free education to their own democracies, are sponsors for the movement.

CONCERT AND DANCE CITY HALL BANGOR

There will be a short concert followed by a dance this evening in Bangor City Hall. The concert will be rendered by several students from the University, including Phil Sheridan, '15, Hal White '15, "Bush" Hanson '15, and "Gramp" Goodwin '15, and will begin promptly at eight o'clock. There will be a special car to Orono after the dance.

CO-ED NOTES

Miss Grace Clapp '14, has gone to her home in Waterville, for the Holidays.

Miss Ruth Harris '13, of Hollins College, Hollins, Va., the president of Beta Provo of Phi Mu is visiting Pi chapter on the campus.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS

University of Maine Student Branch Addressed by Mr. F. B. Slocum of Brooklyn, N. Y.

On Tuesday evening, Nov. 25th, Mr. F. B. Slocum of the Continental Iron Works of Brooklyn, N. Y., gave an address before the University of Maine Student Branch of the American Society of Mechanical Engineers on "Internal Furnace Boilers." He dwelt at some length on the adaptability of the Morison Suspension Furnace to any type of internally fired boilers, either fire tube or water-tube and the advantages of these furnaces over the plain. In the 30,000 internally fired boilers in use in this country there is no record of a single explosion, which is wonderful, as one sees almost daily an account of some fatal explosion of an externally fired boiler. The difference in accidents is due largely to the fact that in internally fired boilers the flames do not come in contact with the shell, and the firebox is entirely surrounded by water.

The Continental Iron Works built the famous "Monitor" and Mr. Slocum gave a very interesting account of its erection. From the time the keel was laid until it was in the water was exactly 100 days. In the same docks were built many more steel vessels in later years.

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

Maine Students Branch Elects Officers

At a recent business meeting of the University of Maine Students Branch of the American Institute of Electrical Engineers, officers were elected as follows:

President, Charles M. Kelley, Jr., of Ipswich, Mass.; Vice President, Philip B. Sheridan of Salem, Mass.; Secretary, Edward L. Getchell of Waterville; Treasurer, Mark Pendleton of Islesboro; Executive Committee, Hermon R. Clark of Townsend, Mass.; Frederick S. Jones of Augusta, Sherwood H. Willard of Greenfield, Mass., and Prof. William E. Barrows of the electrical engineering department.

The purpose of this club is to promote electrical interests in the University. At the meetings talks are given by members of the faculty and the students and from time to time prominent men from away are secured to lecture on up to date topics in the electrical world.

ENGINEERING NOTES

Last week Prof. Jewett attended a meeting of the American Society of Mechanical Engineers in New York. He also visited several large manufacturing under scientific management in New York and Philadelphia.

The Electrical Department expect to have the new motor generator in operation by the end of this week. It will probably take about three weeks to finish the wiring and setting up of the switch board.

U. OF M. GIRLS GETTING PRACTICAL HOUSEWORK

The work of the class in practical housework at the university is proving exceptionally interesting, largely through the novelty of all the regular routine of housekeeping being put in as a requirement for a college course. The whole upper floor of the home economics department is given over for the purpose of the three-day housekeeping, furnishing a kitchen, dining room, reception room, bedroom, and bathroom to be taken care of by the two young women in the course assigned to the work at this time. Three meals are to be served on each of the three days except that there will be only breakfast and luncheon Saturday.

The meals are all served by courses, there being three courses for breakfast, three for luncheon, and four for dinner, which is the principal meal and comes at night. Five persons are served at each meal. Miss Cornelia Palmer, professor of home economics, Miss Eugenia Rodick, '14, of Bar Harbor, and Miss Grace E. Clapp, '16, of Winslow, the two young women doing the work, and two guests. A maximum limit of expenditure for the food for the eight meals has been set at \$5, yet some very dainty meals are served. Miss Palmer is the host, and one of the young women acts as hostess and the other waitress for one day and then these two exchange places.

The breakfast, which is a three-course meal, consists of fruit, cereal, and an egg or meat course. Luncheon which is also a three-course meal, consists of soup or salad, meat and dessert. Dinner, the principal meal, is of four courses: Soup, meat, salad and dessert.

Thursday's breakfast consisted of baked apples, cream of wheat with cream, date muffins and coffee. Thursday's lunch consisted of puree peas, fruit salad, bread and butter, preserved quinces, cookies and tea. The menu for Thursday's dinner consisted of consomme with wafers, veal cutlet, rice potatoes, creamed peas, pineapple salad, fruit jelly and coffee.

For breakfast Friday the menu consisted of oranges, oatmeal, with cream, poached egg, toast and coffee. For lunch there were cream of potato soup with croutons, corn pudding, carrot conserve, bread and butter, pineapple jelly, cookies and tea. For dinner Friday there will be bouillon, chicken fricassee with gravy, sweet potatoes, mashed turnip, orange and grapefruit salad with cheese nut balls, marshmallow whip and black coffee.

Two guests are invited in for each meal. The following from among those connected with the university are the fortunate ones to receive the hospitality of the young women in the course of practical housekeeping: President and Mrs. Robert J. Aley for breakfast Thursday; Prof. and Mrs. A. J. Jones, who were present at luncheon on Thursday; Dr. and Mrs. Mintin A. Chrysler for dinner Thursday; Miss Dorothea Beach and Miss Alice Boring for breakfast Friday; Dr. and Mrs.

Merritt C. Fernald for luncheon Friday; and Dr. and Mrs. Charles W. Easley for dinner Friday. Victor G. Aubrey and Prof. Lambert Corbet were the guests for breakfast Thursday morning and Dr. and Mrs. Ralph H. McKee for luncheon that day.

PHI MU ENTERTAINS

In Honor of Miss Harris

Pi Chapter of Phi Mu entertained in honor of Miss Harris at the Mt. Vernon house, Saturday evening, Dec. 6, 1913. The rooms were prettily decorated with evergreen, rose carnations and rose-colored lights casting a soft shade over all. The evening was very enjoyably spent in dancing. Music by Miss Brown '17, and Miss Barnes of Bangor.

The following guests besides the girls at the house were present: Prof. Garrett of the Pharmacy Dept., Mr. Eaton, Paul Murray, '14, Russell Ferguson '14, P. Hall, '15, R. Hall '17, H. Hall '14, S. Hall '17, G. F. Sweet '17, A. Brakett '16, H. Pierce '17, C. C. Weymouth '16, B. Barrett '16, E. Goodwin '15, D. V. Atwater '16, G. A. York '14, D. Baker '15, R. Lyons, '17, W. J. Dolan '15, W. Kyte, '16, E. Hyland '17, John Pomeroy '17, B. Turrell '15, F. Gordan '15, Guy Palmer '16, Woodbury Pride '15.

At the Mt. Vernon House, Monday afternoon, Dec. 8, 1913, the Phi Mu girls gave an informal tea in honor of Miss Harris to the wives of the faculty, the matrons and the girls of the college. Altho the weather conditions were very unfavorable, quite a large number attended. Music for the afternoon was furnished by Miss Brown, the pianist and Miss Barnes of Bangor, the violinist.

GRAND STAND AND FIELD ACCOUNT

The Athletic report, as published in this issue of the CAMPUS has been mailed to all our alumni using the last addresses which we have. Our list is however two years old and Mr. Ames is at present at work on a new directory. It is expected that a great many of these reports will be returned on account of change of address. However, the report has been mailed to the best address which we have on file in the office for the alumni.

NOTICE

The following letter which we have received for publication, is self-explanatory: December 1, 1913.

DEAR SIR:—

Students taking part in basketball contests, other than member of class teams, must first receive permission from the Faculty Committee on Athletics.

Quite a little talk has been made recently among the students with regard to the present rule on attendance. The one complaint most universally heard is that no clear and definite interpretation has yet been placed upon it. Many complain that an excuse now accepted by one of the deans may be rejected by another which does not seem to indicate that all the deans interpret the rule alike. It would seem that an explanation of the rule in chapel some morning would relieve the uncertainty in the minds of many of the students.

That the chapel exercises this year have been the most noisy since he entered the University. In view of the fact that the exercises are religious in their nature, a respectful quiet should at all times be maintained. Also the responsive readings and the hymns might have more participants. In regard to leaving chapel after the exercises are over all customs in regard to this process have been recently violated. The freshmen and sophomores have lost all sense of propriety it appears. The Senior suggests that more care be taken in leaving chapel and that our former customs be more strictly observed. Chapel exercises of a noisy nature cannot be enjoyed; neither is it a pleasure to be crushed in the mass while attempting to leave the chapel after the exercises are over.

ROUND TABLE SOCIAL

An Enjoyable Occasion Promised

The social to be given by the Round Table, Saturday evening, to the Faculty and their ladies, students and alumni, seems likely to prove a very pleasant occasion.

The committee in charge of the stage entertainment is Mrs. Jeanette Harrington, Mrs. Surface and Miss Rebecca Chilcott. Mr. Ted Haskell is stage manager and has a large corps of assistants.

Committee in charge of music and dancing Mrs. Ella J. Mason, Mrs. Robert Drummond and Miss Antoinette Webb. Floor Manager, Mr. Oswald B. Higgins.

Special Aids, Mr. Paul Murray, Mr. Fred Lewis, with the following aids: Philip Sheridan, Ray Thompson, Ralph Ingalls, Ernest Fowler, Paul Warren, Drummond Freese, Gerald Rounds, Philip Thomas, Alfred King, Henry F. Worcester, Ernest Goodwin.

Refreshments are in charge of Mrs. Leon S. Merrill, Mrs. James Stevens, Mrs. Kate Estabrooke, Mrs. Walter Farnham, Mrs. Tower and other members of the Round Table.

Music will be by the college orchestra, Mr. Park Elliot, leader.

Arrangements are being made to have special cars from Orono at 7.40, returning at 11.40.

It will be a strictly college function and a large number of both the Faculty and students have expressed their intentions to be present.

MAINE MASQUE NOTICE

All sophomores who intend to work out for the position of business manager of the Maine Masque are requested to see M. F. Banks, the manager, at once.

LOCALS

LETTER TO ALUMNI, UNIVERSITY OF MAINE

In the past four years, eleven championships have been decided. Maine has won eight,—an average we are indeed proud of. Our football team defeated Bates 34-0, Colby 3-0, Bowdoin 9-0, bringing us the football championship.

This fall, our cross country team defeated Dartmouth in a dual meet, and won the State Championship, and for the first time in the history of the New England Colleges, Maine won the Championship of the New England Meet. Championships cost money and to equip our teams so that they may be at their best and in a position to compete successfully with the other leading colleges of New England we have gone into debt to the amount of approximately \$1,400.00. Can you not give us a small subscription toward running expenses of the Association? You will see from Grand Stand and Field report that many subscriptions remain unpaid and many of our alumni have not subscribed at all. Hon. E. H. Blake of Bangor has been thinking seriously of building a grand stand for us. On the afternoon of "Maine Night" Hosea B. Buck of '93, and Edgar R. Wingard called on Mr. Blake and asked for a statement to give our Alumni. Mr. Blake said:—"You may say that you have faith to believe that I will build a grandstand for you." If Mr. Blake were to build our stand, \$20,000 can be used toward developing our athletic field. If we could show Mr. Blake that our subscriptions were being paid and that this announcement brought more subscriptions from our alumni, it would hasten his decision. The chairman of the Athletic Board and the Director of Athletics believe that Mr. Blake will help us substantially; this should explain our delay in building. If you have subscribed, help us by paying same. If you have not, a subscription would be appreciated.

HOSEA B. BUCK, Chairman Board.
EDGAR R. WINGARD, Dir. Athletics.

I hereby subscribe \$.....
