

BATES TEAM LOOKS STRONG FOR MAINE IN MEET SATURDAY

Alley and Webb Out To Break Records in Shot Put and Pole Vault

Rounding out a successful season, the varsity track team will encounter the Bates aggregation in the final indoor meet to be held in the Armory Saturday evening at 7:30. Realizing the stiff competition which the Bobcat will offer, Coach Jenkins has kept his charges working consistently for the past three weeks in preparation for this meet.

Although the Pale Blue mentor expects to enter the majority of his dash men in the 50 yard dash, he will depend mainly on Means, Mullaney, Moulton, Shea, Goddard and Attridge to uphold Maine against Kellar, Jensen, and Purington of Bates. In addition, Mullaney, Moulton, Means, and Shea will go after bigger game in the 300 yard dash in the personages of Adams, Pendleton, and Sheridan, all wearers of the Garnet.

Don Corbett and Bob Wishart will be Jenkins' outstanding entries in one mile run, while Harry Booth, Horace Drummond, and Bob Clifford will run the two-mile. Russ Jellison will be the visitors' mainstay in both these events, aided by Mallory and Saunders in the mile and Semetuskis and Winston in the two-mile.

The hurdles will see Maurice Goddard and Don FAVOR in action against Purington, Pendleton, and Burch of Bates.

In the 600 yard run, Ann Adams and Johnny Lary of Bates will furnish good competition for Bill Cole, Bob Pendleton, Pronovost, and McKiniry.

Competing in his last indoor meet, Alton Alley will attempt to break his own record in the shot put which he made in the Intramural meet; Alley will also throw the discus. His teammates in both events will be Don FAVOR and Hayden Rogers.

Perhaps Maine's strongest event is the 1000 yard run, which will feature Ken Black, Russ Shaw, Harry Williamson, Ted Earle, and Harry Saunders against Smith and Butler of Bates.

Freeman Webb will have his last chance at the pole-vault record during this meet. Competing with him in that event will be Phil Havey and Dick Elliott. Webb, Maine's best entrant in the high jump, will be upheld in that event by Chick Shea, Charlie Bunker, and Joe Stevens.

Don FAVOR, the "Blond Viking," will attempt to break Rip Black's record in the 35 pound hammer throw. Other wearers of the Pale Blue who should show up well in this event are Clay Totman and Hayden Rogers.

In the broad jump, Jenkins will depend on Warren Flagg, Mel Means, Chick Shea, Charlie Bunker, and Phil Havey.

The discus throw will take place in the afternoon, and will be the only afternoon event.

Between the 300 yard run and the 1000 yard run in the evening the freshman relay team composed of Dowd, O'Connor, Collette, and Huff, will run a team from Colburn coached by Lovell Chase '32, a former member of Maine's relay and track team and a member of the Senior Skull Society. The members of his team are: Lebons, Bineen, Fleming, and Falk.

Bangor Pastor Talks At Assembly Period

The Rev. Stephen H. Fritchman, pastor of the Unitarian Church in Bangor, was the speaker at the assembly Monday morning.

Rev. Fritchman's address on "The Cult of Mediocrity" was delivered to his audience in a most inspiring way.

The essence of his speech was "Have you an opinion of your own? Education is bent on praising the sacredness of the average person," said Rev. Fritchman.

"Man is a personality, not a pattern, and making a pattern of him is the effect of Satan." He proceeded to tell of two personal experiences which illustrated this cult of mediocrity. One was seeing the play "Another Language," and the other was reading the book "This Country of Ours."

Mediocrity will never produce the leadership we need today, but instead it will lead to vulgarity and commonness.

"Advertisers are setting a high price on the typical American," he pointed out. "A person is educated if he can resist public opinion and think for himself."

In conclusion, Rev. Fritchman urged his audience to guard against the modern trend of mediocrity and ended with the quotation, "Do not betray the hero in thy soul."

Band Plays 'Stein Song' in Passing Reviewing Stand at Inauguration

Special to the Campus
WASHINGTON, March 4—Page Herschel Bricker!! Sergeant Donchez and Prof. Sprague (Music) will do well to confer with him on matters pertinent to the University of Maine Band. Why, you ask??? Because little Coe College came to Washington from East Overshoe (or wherever they are located) and not only got a good hand in the parade for their marching style, but cleaned up with the first prize for Class A Bands at the Inaugural.

And speaking of R.O.T.C. Bands, you'll search far before you can lick George-

town. They're uniformed in Army Blue, and their Drum Major was about as smooth as any in the parade. The way he handled his baton sent shivers up the spine of many; over his head, under his arm, between his legs, at arms length, right hand, left hand, over his head again. And in the meantime the band itself in perfect alignment and playing as well as any all afternoon. Really a beautiful spectacle.

But the Elks Band (sepia tinted) pulled the fastest one of the day. They were wearing all the gold braid and vivid color. (Continued on Page Two)

BOOTHBAY HARBOR GIVEN CUP FOR RANK

Has Highest Scholastic Grade Among Maine Hy Schools Represented in Frosh

Boothbay Harbor High School has been awarded the freshman scholarship cup, which is presented each spring to that secondary school in Maine having three or more of its graduates in full standing in the freshman class, whose representatives as a group shall have attained the highest scholastic standing for the preceding fall semester. The Boothbay Harbor delegation includes Actor T. Abbott, Jr., Giles S. Bryer, Truman Campbell, and John M. Coombs.

Westbrook high school takes second place, and other schools ranking but slightly below in this year's competition are Ellsworth, Deering, and Rockland.

This year is the third in which the Freshman Scholarship Cup has been awarded. In 1930-31 the cup went to Fort Kent with Mexico holding second place. Last year, Deering High School received the cup and Elliott was in second place.

Debate Teams in Ellsworth Wed.

Two University of Maine debating teams participated in a non-decision debate Wednesday evening at Bayside Grange, in Ellsworth. The proposition was that one-half of local and state revenue should be derived from sources other than tangible property.

Richard Lunt '36, and Spurgeon Benjamin '35, argued the affirmative, while Max Fitch '36, and Karl Hendrickson '36, presented the negative. Roger Heffer '34 acted as chairman of the debate.

Stanwood Searles '34 and Roger Heffer '34, will meet a team from New York University in a debate on advertising Tuesday evening in Alumni Hall. Searles and Heffer will speak for the affirmative.

Thursday, March 16
8:00 P.M. Masque play, Alumni Hall

COMPREHENSIVES IN MAJOR SUBJECT ARE APPROVED IN A. & S.

Committee Finds Oral Exams in Senior Year Will Raise Scholastic Standards

That the various fields of university study are streams of knowledge rather than air-tight compartments unrelated to other facts and movements, is the belief of the faculty of the College of Arts and Sciences of the University of Maine. This belief has been emphasized by that body by its recent authorization to the various departments of the College to require oral, comprehensive examinations in the major field, as a requirement for graduation. This change in policy marks a distinct advance educationally in the University, and should promote a more efficient scholarship, according to the committee that made the study and recommended the innovation to the faculty.

Such examinations have been given by the English department for ten years, despite the fact that no penalty was attached for poor showings in these comprehensive tests. Beginning this year all English majors will be required to pass this examination before they will be recommended for graduation. The advantage of such examinations is obvious, since they articulate the knowledge in the student's field of concentration and develop the ability in the student to think rapidly and to express facts gained in the progress of his education. Other departments of the College are expected to introduce the system soon, and when the practice becomes general the College will be on a par in this respect with Harvard, Dartmouth, and Bowdoin, all of which require orals as part of the requirement for a degree.

The new arrangement will give students splendid training for graduate work, and will be a great help in their teaching, the committee says. In making their recommendation no definite plan for such comprehensive tests was given since it was thought advisable to allow each individual department full powers to develop the system best suited to its purpose.

The committee that made the study of the subject and the report on which the regulation is based was composed of Professors E. F. Dow, chairman, C. A. Dickinson, A. L. Fitch, R. M. Peterson, and K. S. Rice.

Summer Session Bulletin Now Out

The Maine Bulletin containing announcements for the 1933 Summer Session at the University of Maine from July 5-August 12 is now ready for distribution. This bulletin contains an invitation from Dr. Roy M. Peterson, director of the summer session, to students to call upon him and become personally acquainted. There is also included information regarding courses to be offered, a list of the faculty members both resident and visiting, tuition and board rates, the advantages derived from choosing Maine as the place to which to come for summer study, and several pictures of campus scenes and places to which the students may go on week-end trips.

Depression-Struck Dog Loses Meal As His Bone Assumes Human Shape

When is a man's hand not a man's hand? That was the question which completely baffled Old Town police, until they called upon the resources of the University of Maine zoology department, which, after due and weighty deliberation, pointed out to the keepers of the law that a man's hand is not a man's hand when it is a bear's paw.

It seems that an Old Town dog, suffering from hunger during these days of depression, decided to stop hoarding, and go out and dig up a bone which he had buried during the boom days of 1929. However, four years is a long time even in a dog's age, and the poor canine forgot the exact spot wherein he had buried his bone. Undaunted nevertheless, he started digging in a remote spot, and in a short time his search was handsomely rewarded, as he unearthed a fine, large bone.

And so the proud dog carried his treasure home, with visions of a marrowy feast in a warm barn. But it was not to be. No sooner had he entered the yard of his home

when his owner spotted the dog and the bone, and immediately separated the two. He took the bone, no, not for his own dinner, but to the police, for he noticed that it bore a strong resemblance to a human hand.

These worthy custodians of the peace immediately suspected foul play afoot, and started a search for the rest of the skeleton. But the dog, in righteous anger at the loss of his meal, refused to lead the police to the desired spot, and they were forced to return to their station, completely bewildered.

Then someone had the bright idea of bringing the bone down to the zoologists at the U. of M. for a scientific observation. Dr. Young immediately called the members of the department into a huddle with him, and after discussing the case, or rather the bone, from all angles, they came forth with the decision that the bone had once been the paw of one of the ancestors of our famous Bananas. The question now is, who got fooled, the police or the dog?

HOOP TOURNAMENT GETS UNDER WAY AT ARMORY; FINAL GAMES SATURDAY

POPULAR REFEREE

TRAINER STANLEY M. WALLACE popular referee, who will call the fouls at the tournament

Students Requested To Bring Blanket Tax To First Games

Preparatory and high schools coming to the University of Maine to compete in the annual basketball tournament scheduled for today, Friday, and Saturday were led to the field of battle yesterday by Waterville High and Stearns High of Millinocket. The other contestants entered in the state tournament arrived this morning.

The University of Maine cordially extends an invitation to any visiting team, whether or not they are eliminated in the preliminaries or the semi-finals to remain on the campus as the guests of the University throughout the entire tournament.

Preliminary games scheduled for today are called at two-thirty, three-thirty, seven-thirty, and eight-thirty. Tomorrow the preliminaries of the prep school tournament are booked for three-thirty and four-thirty o'clock, with the high school play-offs in the evening at seven-thirty and eight-thirty.

The blanket tax is sufficient to allow all students admission to all the games with the exception of the final contest on Saturday. All students must have their blanket tax in order to be admitted, and none will be admitted without it. The ushers have strict orders to allow no one to enter who has not his blanket tax, and the athletic department urges all students to bring the ticket, rather than embarrass the ushers and ticket takers.

The athletic department of the University has announced the awards to be made to the winning team in both the high and prep school divisions.

The winning quintet in the high school division will receive possession of the Harmon trophy for one year. This trophy is a silver cup thirty inches tall and ten inches across, donated by George Harmon, state senator from Hancock County. In order to obtain permanent possession of the trophy, a team must win it three times. The only team competing in this year's tourney to ever have had possession of the cup is Old Town High, which has held it for only one year.

In the prep school class, the winning team obtains possession for a year of a somewhat smaller cup. This will be given permanently to the school winning it the greatest number of times in five years.

In both high and prep school divisions, the winning team will be presented with a bronze plaque mounted on a mahogany background for permanent keeping.

Besides the team awards, gold medals will be given to the players, manager, and coach of each championship school.

3 Students Hurt In Auto Accident

Silas Bates, '35, William Thompson, '33, and James Hamilton, '35, were severely injured Friday afternoon as the Ford coupe in which they were riding skidded from the road on a downhill curve near Hermon, turned over three times in the air, and crashed to a stop against a culvert. Thompson and Hamilton were hurled through the roof of the car, while Bates, the driver, was pinned inside and received the most serious injuries.

Bates had a broken collar bone and a large cut in his head making four stitches necessary. He is at the Eastern Maine General Hospital in Bangor and will be forced to remain there for at least two weeks. Hamilton had two fractured ribs and cuts in his head making necessary two stitches, and a cut in the right leg taking three stitches. Thompson received minor bruises and cuts about the head and face. Thompson and Hamilton have returned to campus.

SCULLY AND PAGE WILL BE EDUCATION DELEGATES

Two seniors, Hazel M. Scully and Charles E. Page, on Monday afternoon were elected delegates from the student body of the School of Education to attend the Eastern States Convention of Educational Colleges and Universities to be held in New York, April 7, 8, and 9. Others from Maine to attend the conference will be Dean Olin S. Lutes, Professor Ernest Jackman, and Dr. John R. Crawford of the education faculty.

Page is the president of the Student Body of the School of Education, and Miss Scully is the secretary.

A University Doctor

Health is one of the most important things in life, and it can not be neglected by University students. When one is taken ill at Maine, he has recourse to the University Health Service, which is adequate in most cases. On the other hand an illness in which the services of a physician are required is not taken care of by the Health Service. A physician is called in and sends his bill to the student. These bills are usually rather large, at least compared to the financial resources of the student.

At present there is no remedy for this situation. The Health Service is doing its job very efficiently, as has been evidenced by the several epidemics on the campus during the present school year. Nevertheless there are many cases in which an outside physician is called in, with considerable expense to the student. In cases where the student is able to report to the doctor during his hours at the Health Department offices there is no charge, but if the student is confined to bed and a doctor calls upon him the case is different.

Despite the fact that the University has recently received rather severe cuts in its income, it would seem well to have a regular doctor employed at full time by the University. This would probably necessitate an addition to the health fee paid by each student, but would be well worth the extra charge.

Movies for Culture

In order to bring some educational and foreign motion pictures to Orono primarily to give faculty members and students an opportunity to see them, a committee was organized several weeks ago. The committee has received excellent cooperation from Mr. Goldsmith, manager of the Strand Theatre in Orono, and as a result the first of these pictures "Potemkin" was shown at the Strand last Wednesday, before a capacity house.

Not only because of the time and effort on the part of Mr. Goldsmith and the committee of which Professor Richard G. Wood is the chairman, but also because of the entertainment and education derived from these pictures, they are well worth seeing. They present an unusual opportunity for students, faculty members, and residents of Orono to broaden their outlook by making themselves acquainted with conditions and customs in foreign countries. They also provide an excellent ground for comparison with American films.

The next of these pictures will be "Das Lied ist Aus" (The Song is Over), which will be shown next Wednesday afternoon directly following the regular performance at the Strand in Orono.

Is President Roosevelt's closing of the banks of the nation a necessary action and a sincere effort to stop the flow of gold out of the country, or is it merely a gesture on his part to show the people of the United States that he is a man of action?

Kenneth Foster was recently appointed manager of relay and indoor track by the Athletic Board due to a vacancy made through the ineligibility of Robert Perry, former manager. Foster served as freshman assistant manager and then as assistant manager of varsity football. He received his recent appointment because of his previous outstanding work, and will assume his new duties immediately.

Students in the Colleges of Agriculture and Technology who have arrears examinations to take following the Spring recess should apply for same at the Registrar's office on or before March 15. This applies to arrears examinations in Fall Semester subjects only.

As A Maine Grad Sees Washington

(Continued from Page One)

ors that could possibly be put onto one uniform. Their Drum Major was a huge black boy with a million dollar grin who was stepping high, wide, and handsome, believe you me, brethren and sisters. When he got his outfit almost opposite the President he swung them crossways to the line of march and serenaded F.D. for a minute or more, holding up the entire parade. And the big black boy was grinning from ear to ear as he finished his elaborate salute and swung his band back into line.

At Smith came mighty near to stealing the show as he marched with the great Sachems of the Columbian Order of Tammany. He Garner-ed (oh-oh) more applause than anyone else and almost overshadowed the President himself. When he passed the reviewing stand off came his silk topper and he waved it furiously at Frank and hollered to him. And maybe he didn't get a hand! The only movie truck in the parade followed alongside of him for the entire length of the line of march.

One of the marching clubs came near to stealing the military honors. They were Democrats from somewhere up the coast and came about two hundred strong. Their marching was as perfect as any uniformed bunch and their dress caused much comment. Each of them had bought a new hat, coat, and cane, and they were all the same shade of tan. One mighty smooth bunch of boys.

Another outfit that made people sit up and take notice was the Richmond Blues, a famous southern company. With light blue uniforms and plenty of braid, tar-bucket hats with silver visors, and tall white plumed shakos, they caused many a feminine heart to skip a few beats.

As usual the Legion sent some of the snappiest and flashiest looking outfits. Their Drum and Bugle Corps were dressed in everything from elaborate Turkish costumes to almost impossible variations on the military dress. White, black, gold, red, blue, grey, purple, green, and an infinite number of combinations of them. And if you think those boys couldn't make plenty of music, you've got another think coming.

What I'd like to know is what in blue blazes Abe Lincoln was doing in a Democratic Inaugural Parade?....And who were the 200,000 people who kept me from getting into the Capitol Plaza to see Frankie kiss the book?....And who was the guy who woke me up at two-thirty the night before wanting to know if this was the place that he had engaged a room by telegraph!!!!Tom Mix doing stunts on his horse almost disrupted the thousand Boy Scouts on duty along the police lines....Pierce-Arrow has made five of their new \$10,000 Silver Strakes and two of them showed up in the parade....A Band from Oklahoma going past the reviewing stand playing "Ioway, Ioway"....Ten beauteous blonds from the 42nd Street Special riding on a Merry-Go-Round in the middle of the parade. But no calliope. Was I disappointed???....But Maine was represented, Yea Verily, Maine was represented. Governor Bram and his Aide, Lieut. Commander Vallée....And a two hundred piece band playing the Stein Song as they passed the reviewing stand....And the next bunch of windjammers tooting the Barbasol Song....Awa, awa, awa!!

CHURCH NOTICE

Methodist Episcopal Church
Dr. Charles M. Sharpe will preach at the 10:30 service in an exchange with Mr. Berlew. His subject will be "Religion in Hard Times."

The Student Forum Program at 7:30 at the Wesley House will be in charge of the World Service Committee, Beth Gifford, Gordon Heath and Merton Cox. It will be in the nature of an Exhibit and Discussion of the World Program of the Church. Fellowship Hour and luncheon at 6:30. All are welcome.

A deputation from the Student Council will be in charge of the evening service at Grace M.E. Church, Bangor.

Fellowship Church
Rev. Herman Berlew of the Methodist Episcopal Church will preach at the 10:30 service, his subject being "God's Sense." Miss Achsa Bean will be the soloist.

The Students' Sunday Evening Club at 6:30 will be addressed by Rev. T. W. Horsfield. He will speak on the travel subject, "Caribbean Band."

St. John's Universalist Church
At Saint John's Universalist Church there will be an organ recital by Albert A. Lane at 10:15, followed by morning worship at 10:30, at which Rev. T. W. Horsfield will deliver the second of a Lenten series of sermons on Religions for Today—2. The Religion of the Forward Thrust. Mrs. H. T. Elmore will be the soloist.

Sportsmen Do Not Boo

Next Masque Offering, 'Uncle Vanya,' Strong Russian Drama

The Maine Masque drama, Uncle Vanya, to be presented in Alumni Hall, March 16, is a story of human interest, of pathos, of sadness and emotion.

Uncle Vanya, of whom the narrative is written, is a man struggling under the weight of advancing years. For over a quarter of a century he has worked, diligently, faithfully, in the interests of another whom he has idealized as a genius but who has never invaded above the cult of the conventional. It is characteristic of the Russians to enslave themselves for a master and for years Vanya has toiled under the misconception that Alexandr, his literary protege, can ever be "great." Then, with his life half spent, he presents the forlorn appearance of a man who must set out anew in the world.

But suddenly as the play comes to a most dramatic conclusion, he does it, and with Sonya looks forward, his youthful spirit returned, with faith in himself and his fellow men.

Concert Program All Tchaikovsky

The Bangor Symphony Orchestra presented an all-Tchaikovsky program as its fourth concert in the current series yesterday afternoon in City Hall. Maine students who play in Symphony are Geneva Epstein, Mary Elizabeth Gray, Shirley Young, Hyman Emple, Leo Viner, and Linwood Bowen '32.

The first number on the program was the famous Nutcracker Suite. This was followed by the Andante Cantabile from the Fifth Symphony.

The program was concluded with the rendition of the 1812 Overture, which was given its first hearing at these concerts. This overture is a masterpiece of descriptive music, presenting with vivid orchestration the story of Napoleon's invasion of Russia in 1812. It expresses in telling musical language the prayer of the Russian people that the great invader may be repulsed, portrays the battle, the triumphant entry of Napoleon anti-climaxed by the burning of Moscow which alone succeeds in driving back the enemy. Finally, it expresses the thanksgiving of the Russian people, culminating in hope for the future of Russia.

FIVE BOXERS WIN AND QUALIFY FOR FINALS

Five students qualified for the finals of the annual intramural boxing tournament by winning their bouts in the semi-final matches of the tourney held last Saturday night at the Armory. The finals will begin this Saturday afternoon at one o'clock at the same place.

The fights were limited to three two-minute rounds, and were refereed by Bill Kenyon, coach of freshman basketball and baseball. Kenyon was formerly boxing instructor at the University. A large number of students were attracted to the bouts with the stands filled nearly to capacity.

The feature match of the night saw Don Corbett awarded a decision over Jim Smith in the light-heavyweight division. Corbett's superior defensive tactics and his fast body attack were too much for the hard-hitting freshman. Another good match took place between Gordon Heath and Sam Bachrach. Although neither of the fighters appeared to have the better of the first round, Bachrach came back strong in the second with hard rights and lefts to the face to score a technical knockout over Heath as the referee stopped the match.

Frank "Red" Hagan, boxing instructor, in an exhibition bout with Wes Judkins gave a clever performance as his footwork and hitting ability proved too much for his more inexperienced pupil. Hagan holds the lightweight championship of the school.

The summary:
Karl Harris was given a decision over Leo Viner; Donald Corbett was given a decision over James Smith; Gilbert Richardson was given a decision over Harry Wood; Samuel Bachrach scored a technical knockout over Gordon Heath.

DICTION AND PHONETICS ARE TAUGHT AT MCGILL

The 1932-33 session of the Residential co-educational French Summer School held annually at McGill University, Montreal, will open this year on June 26 continuing to July 29. Prof. René du Roure, Agrégé es Lettres, will direct the school assisted by an augmented staff of Old Country French professors. Special classes in Diction and Phonetics as well as courses dealing with the French literary and dramatic expression of today will be features of the Session. Enrollment is reported to be brisk and a large attendance is anticipated. Booklets giving full particulars concerning the course will, we understand, be forwarded on application to The Secretary, Residential French Summer School, McGill University, Montreal, Canada.

North Hall Baby Injured When His Crib Collapses

Gerry Hall, only male member at North Hall, suffered minor burns around the head and hands when he fell on a radiator after being imprisoned by his collapsible crib last Friday. The quick action of his protectors saved him from more serious injury.

FROSH GET 4 STRAIGHT BY HEBRON TRACK WIN

Winding up their indoor track season with the record of four victories and no defeats, the freshman track team overwhelmed the little Big Green tracksters from Hebron Academy, 77 1/2 to 30 1/2, at the Armory Saturday afternoon.

With nine firsts and eight second places going to the frosh team, the outcome of the meet was never in doubt. Myron Collette was high scorer for the freshmen, with Jim O'Connor and Don Huff not far behind. Collette accounted for thirteen points when he placed first in the shot put and high hurdles, and took a second in the low hurdles. Huff and O'Connor also took firsts in two events, Huff winning the 70-yard and 300-yard dashes, while O'Connor came in first in both the 600-yard and 1000-yard runs.

The most exciting race of the entire meet was the 70-yard dash, won by Huff. Although the yearling sprinter got off to a poor start, he put on a terrific burst of speed in the last few yards to beat out his Hebron opponent by inches. The 1000-yard run saw O'Connor, after being almost hopelessly in the rear, sprint the entire last lap to break the tape an easy winner.

The summary:
70-yard Dash—Won by Huff, Maine; second, Goodrich, Hebron; third, Dowd, Maine. Time, 7 1/2 seconds.

300-yard Run—Won by Huff, Maine; second, Goodrich, Hebron; third, Dowd, Maine. Time, 33 1/2 seconds.

600-yard Run—Won by O'Connor, Maine; second, Allen, Hebron; third, Snow, Maine. Time, 1 minute, 21 1/2 seconds.

1000-yard Run—Won by O'Connor, Maine; second, Peaslee, Maine; third, Stafford, Hebron. Time, 2 minutes, 36 1/2 seconds.

1 Mile Run—Won by Prince, Maine; second, Clarke, Maine; third, Marshall, Hebron. Time, 4 minutes, 56 1/2 seconds.

45-yard High Hurdles—Won by Collette, Maine; second, Halle, Maine; third, Dow, Hebron. Time, 7 seconds.

70-yard Low Hurdles—Won by Dow, Hebron; second, Collette, Maine; third, Sawyer, Hebron. Time, 9 seconds.

High Jump—Won by Marshall, Hebron; second, Perkins, Maine; third, tie between Ireland, Maine, and Hichborn, Hebron. Height, 5 feet, 5 inches.

Broad Jump—Won by Hichborn, Hebron; second, Ireland, Maine; third, Roberts, Maine. Distance, 20 feet, 10 1/2 inches.

Pole Vault—Tie for first between Ireland and Thompson, both of Maine; tie for third between Marshall and Dow, both of Hebron. Height, 9 feet, 1/2 inch.

Discus—Won by Sidelinger, Maine; second, Thompson, Maine; third, Roberts, Maine. Distance, 118 feet, 10 inches.

Shot Put—Won by Collette, Maine; second, Thompson, Maine; third, Hichborn, Hebron. Distance, 46 feet, 1/2 inch.

Phi Sigma, honorary Biological Society, will hold an open meeting Wednesday, March 14, in 30 Coburn Hall at which Dr. W. F. Dove of the Experiment Station will give a talk on "Rickets" of which he has made an intensive study. All those interested in the subject are invited to be at Coburn Hall at 7:30.

Sportsmen Do Not Boo

The MAINE SNOOPUS

EVERYBODY IS ready and anxious to see the high school lads from all over the Eastern part of the state when they arrive today to throw as many baskets as they can in that great annual basketball tournament....To lend a realistic atmosphere to their prison party the other night, the Phi Kappa Sigs handcuffed each couple together as they came into the house. Later in the evening they gave away the handcuffs. Now somebody ought to give a gang party and issue machine guns....Northampton and those Smith beauties sure have their attraction, and thus Ted Earle rides his motorcycle. We should say his good intentions have gone all to Smithereens....And what happened in the Balentine dining room recently when Merrita's chair gave way just as she started to eat a luscious lemon meringue (pronounced murrang) pie? Well, what would happen?...That dangerous snoop old lady, Dame Rumor, tells us that Eloise Young, blond beauty from Tri-Delt in the Class of '33 has ankled to the altar with a New York guy. Oh, these city slickers....We're beginning to lose all faith in these senior home ecs at North Hall, for at a recent basketball game Marge and Dixie had a severe case of somethingorotheritis and Marge is said to have been the cook responsible for the meals that day. Well, as our grandmother used to say "Too many cooks gather no moss"....Make way for the big game hunters from Balentine, and the prey is mice once again, or perhaps we should have said "mouse." Jane Barry, prexy of the local girls' domicile, has the record of bagging two of the critters. And then on Sunday night she tapped a poor little Mickey on the noggin to such an extent that he went into the sleep that knows no end and forgets where it began. Then, some of these co-eds whose heads get full of biology and zoocoonology and carry around kits with all sorts of knives, razors, nut crackers, button hooks, and combs went to work on the little beastie and dissected him. Probably they found that he died of a fractured skull, but we doubt it....They tell us that Gordon Stewart, well known freshman, has great difficulty distinguishing between shorthand and the scansion of Latin poetry. Well, most of us have forgotten what Aneas did when he hit a homer in the ninth against the Yanks, too....Arthur Brown, our own Rhodes Collar, invited the Contributors' Club to contribute at his apartment, and then trotted off to the gay White Way at the time that the club was supposed to arrive for its contributing....Whats' this we hear about measles?...Well, Snoop has to confess that Ed Wilson of Beta Kappa put one over on her, and it wasn't until the papers reported it this week that he discovered that Ed had taken the solemn oath with a lass from Caribou way back in January....We nominate for this week's roll of honor the SENIOR ENGLISH MAJORS, who for two weeks have been cramming and studying and taking comprehensive exams. It's a good thing you made the roll this year, you seekers after knowledge of our beautiful language, for next year we'll all be doing it....And we nominate for oblivion, people who promise to take ice-cream to poor, innocent, misguided, unfortunate, ill treated, little shut-ins, and then fail to show up with the cats.

CHEMISTRY APPLICATION TOPIC OF LECTURE SERIES

Following is a schedule of lectures on "Chemistry and Its Application" which are being given each Thursday morning in 305 Aubert Hall at nine o'clock. Students having this period free are welcome to attend.

- | | |
|---|------------------|
| Mar. 16 Chemistry in Agriculture | E. J. Bogan |
| Mar. 23 Pulp and Paper Industry | P. D. Bray |

SOCIETY

MEETING HELD IN M. C. A. OF EL CIRCULO ESPANOL

A business and social meeting of El Circulo Espanol was held at the M.C.A. building on Wednesday evening, March 8, with an attendance of about twenty-five members. The names of several students eligible for membership were announced and voted on.

After the business meeting a short talk was given by Señor Luis Fopeano, a resident of Chile, who is to be in Bangor for a few months with the Mutual Life Insurance Company. Ruth Hamor entertained with several Spanish songs and the members joined in singing other popular Spanish airs. The remainder of the evening was spent in playing bridge and games, and in doing jig-saw puzzles. Refreshments were served. The committee in charge was Abbie Sargent, Emily Pickering, and Ruth Hamor.

12 LAST YEAR'S PLEDGES INITIATED BY DELTA TAU

Twelve of last year's pledges to the Gamma Nu chapter of Delta Tau Delta recently received their initiation into the fraternity.

The men who were initiated were: Ralph Copeland '35, Brewer; Kenneth Kimball '35, Camden; William Halpine '35, Portland; Richard Captain '35, Montclair, N. J.; Ierdel Ward '34, Caribou; Lorenzo Gagnon '34, Brunswick; Vernon Packard '35, Warren; Evans Page '35, East Corinth; Darrell Badger '35, Dexter; William Thorpe '35, Millinocket; Eugene Coffin '35, Harrington; Raymond Gailey '35, Portland.

The Alpha Delta chapter of Phi Kappa Sigma entertained its pledges a week ago last Wednesday at the annual pledge banquet held at the fraternity house.

The committee in charge of the preparations was: Edwin Giddings, West Hartford, Conn., chairman; Warren Kane, Eastport; William Cole, Prospect Harbor; Dudley Merrill, Bronxville, N. Y.

The Maple girls entertained with a vic party Saturday night. About fifteen couples spent the evening dancing and playing games, and were revived from time to time by refreshments of punch and cookies. The affair was in charge of Beatrice Racoppi and Louise Steeves, and was chaperoned by Miss Stiles.

The Sophomore Owl Society held its initiation Thursday evening, March 2. The following men were initiated: MacBride, Goddard, Cole, Cobb, Bessom, Hoyt, Butler, Black, Anderson, Shea, Stone, Walton, Honer, and Reese.

Stanwood Searles and Donald Corbett, president and secretary of last year's Owls, conducted the initiation.

Phi Gamma Delta held a vic party Friday evening. About nine couples were there, chaperoned by Mr. and Mrs. Paul Bray. Punch was served throughout the evening.

Announcement was recently made of the marriage of Pauline Dudley of Caribou to Edward H. Wilson '33 of Portland on Jan. 31. Mr. and Mrs. Wilson will reside in Orono for the present.

NATIONAL PHIMU DELTA HEAD-HERE SAT. EVENING

C. N. Elliott, president of the Phi Mu Delta National Fraternity from Durham, N. H., was at the chapter house Saturday evening, March 4th. He presented an impressive talk to the twenty-one pledges on requirements for Phi Mu Delta and welfare of a University Freshman.

During the evening an Alumni Board was formed. Dean Nutting was elected alumni treasurer of Phi Mu Delta and the following alumni were elected on the advisory committee: Wilson James, Richard Holmes, Guy Thurston, Ralph Simmons, Hugh Morton, Charles S. Haselton.

Sigma Chi fraternity elected Roy Augenstein president, William Butler vice-president, Woodrow Palmer secretary, and William Linskey treasurer at a recent meeting of the fraternity.

Herbert Cook '35 of Calais was recently pledged to Sigma Chi.

PHI KAPPA SIGMA GIVES NOVELTY PRISON PARTY

Phi Kappa Sigma entertained at a prison party last Saturday night. Costumes of convicts were in order, and handcuffs even a feature of the evening. During intermission refreshments of cream puffs and ice cream were served. Mrs. Carrie Newman, Mr. and Mrs. S. S. Eberle, and Mr. and Mrs. F. S. Youngs chaperoned the affair. The committee in charge consisted of Wesley Wasgatt, Sargent Coleman, and Don Favor. Lew Kyrer and his rhythm boys furnished the music.

Last Sunday afternoon Delta Delta Delta held their pledge service at their chapter house. The following girls were pledged: Carolyn Lothrop, Bessie Grey, Bernice Willson, Zelma Gregory, Dorothy Fletcher, Eileen Brown, Ruth Hinkley, and Doris Richardson.

Professor John H. Huddleston will speak Saturday at the Arts Club Meeting. His subject will be "American Architecture." The host and hostess will be Professor and Mrs. Walter W. Chadbourne. The meeting will be at 63 Bennoch Road at 8:00 P.M.

Sportsmen Do Not Boo

Dean Paul Cloke of the College of Technology was elected president of the Orono Chamber of Commerce last week. Dean Cloke has just finished a year as the chairman of the Orono Zoning Ordinance Committee. He is attempting now to have a zoning ordinance passed which will prevent undesirable buildings from being built in the vicinity of fraternity houses.

Dean James Muilenburg of the College of Arts and Sciences will address the freshman forum in the recreation room of Hannibal Hamlin Hall on Sunday night on the subject "On Education."

OPERA HOUSE
Bangor, Maine
Continuous Daily from 1:30

ILLUSION:

The Oriental girl reclines on a sheet of plate glass supported by two slaves. The magician waves a white sheet in front of the pretty maiden...pronounces a few magic words... Presto! She has disappeared in thin air.

EXPLANATION:

"Disappearing" acts are among the most popular in the repertoire of the magician. Dogs, horses, girls, whole rooms disappear—whisked into wings, dropped through trapdoors, hidden by mirrors. But this "disappearance" is a bit different. One of the "slaves" is a hollow dummy. When the magician holds up the sheet the little lady disappears completely—into the convenient figure of the dummy.

It's FUN TO BE FOOLED ...IT'S MORE FUN TO KNOW

There is also a trick of cigarette advertising, whereby a few magic words are used to create the illusion of "Coolness."

EXPLANATION: Coolness is determined by the speed of burning. Fresh cigarettes, retaining their full moisture, burn more slowly...smoke cooler. Parched, dry cigarettes burn fast. They taste hot. This makes the method of wrapping very important.

Improperly wrapped cigarettes begin to dry out as soon as packed.

Camels are cooler because they come in the famous Humidor Pack of welded, three-ply, MOISTURE-PROOF cellophane...and because they contain better tobaccos.

A cigarette that is fresh, full of natural moisture, and blended from choice, ripe tobaccos tastes cooler than one that is harsh and acrid. For coolness, choose a fresh cigarette, made from costlier tobaccos.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

Try Camels...give your taste a chance to sense the difference. You'll appreciate it!

CONTESTANTS IN FOR WRESTLING

Semi-finals of Tourney To Start Tuesday; Finals Thursday

Coach Sam Reese is working his wrestling charges at top speed in preparation for the coming tourney which will take place March 14 and 16 in Alumni gymnasium. This year's tournament promises to be of great interest, for besides several promising newcomers, there are two defending champions. Sinclair was the champion in the 146-155 lb. division last year, while Dewitt garnered the crown in the 135-145 lb. class. However, this year Dewitt has gained weight and is entered in the scrap for the 146-155 lb. title. Sidelinger, light heavyweight champ last year, and Coach Reese, heavyweight title holder, will not compete this year.

Among the newcomers is John Adams '36, who will give an exhibition bout with Sam Reese along with the semi-final matches which will be held Tuesday evening, March 14. The finals in this tourney will take place Thursday evening, March 16. The tentative matches for the first round are as follows:

135-145 lbs. R. Copeland vs. G. Fitch; G. Lorry vs. Gray; Bridges vs. C. Hanson.

146-155 lbs. Bacheller vs. Boone; Dewitt, bye; Otis vs. H. Copeland; Sinclair vs. Soule.

156-165 lbs. Atwood vs. Captain; Demont vs. McNaughton; Morrow vs. Perkins; Snow vs. Whitaker; Honer vs. Poulson.

166 lbs. and over. Thomas vs. Bryer; Adams, bye; and Engalls vs. Richardson.

Weighing in will be held on Monday, March 13, at Alumni Hall.

GIRLS' VARSITY DEFEATS GRAD BASKETBALL TEAM

A girls' basketball team composed of former U. of M. stars was defeated by the Varsity-All Maine Team Saturday evening. The girls on the pale blue team were too good for the Alumnas, who nevertheless put up a fine fight. At the end of the first half the Varsity led by a 24-4 tally and at the final whistle the score was 42-11 in favor of the Varsity. Dixie Dickson piled up 22 points for the winners and Mullaney, White and Rogers scored 11 points together for the graduates.

The line up:

Varsity	Alumnas
Dickson, rf, 22	3, rf, Rogers

SPORTS SPIELS

By BOB BERG

With the battery candidates for the varsity baseball team working out in the Armory and the infielders and outfielders scheduled to report the early part of next week, Coach Fred Brice is having more than his share of worries as to the make-up of the 'Pale Blue' baseball outfit this impending season.

Among the pitchers the only veteran hurler is Mun romansky who has toiled for Maine the last two years on the mound. He is the only pitcher with good experience and upon his shoulders will rest the brunt of the pitching assignments. The sole other hurler who was a member of the pitching corps last year is Hal Hall. However, Hall worked in the box for Maine in but one game last season.

In the infield Coach Brice has suffered a great loss as a result of the graduation of "Irish" McCabe and "Coughdrop" Smith. McCabe took care of the third base post for three years and besides being a demon in fielding, he had the fourth highest batting average in the state last year. Smith was a fixture at first base from his sophomore days and was Brice's heaviest swatter. Last season he attained the highest batting average in the state with a mark well over .440.

The two infielders left are Swen Hallgren and Herbie Lewis who take care of short stop and second base respectively. Both are finished infielders and form a smooth working keystone combination. On the spring trip a year ago Hallgren led the Maine batters with the best average and finished the season with an average of .321.

The outfield is entirely open through the

graduation of "Blondy" Hincks, Amel Kiszczak, and Ted Nutting. Although he was a pitcher, Nutting played in the sun gardens, when he was not hurling, on account of his batting strength. Hal Hall played the outfield when Nutting was in the box.

Probably one of the greatest losses to the Maine nine was the unexpected graduation of Clark Abbott, catcher, at mid-years. Abbott was a clever backstop and knew well how to handle pitchers. He would have been especially helpful this year due to the many green pitchers who are working out, as his wide experience and knowledge of the game would have come in handy in giving advice to the inexperienced moundsmen and keeping them cool on the mound.

NOTICE

Infield candidates for varsity baseball report to Coach Brice at the Armory on Tuesday afternoon at 3:30 p.m. Outfielders report on Wednesday.

Line candidates for the 1933 varsity football team should report to Coach Brice at the indoor gym Monday afternoon at 3:30 p.m.

TAU EPSILON PHI IS INTRAMURAL WINNER

Led by Howard Perlmutter, star of the 1930-31 freshman basketball team, Tau Epsilon Phi administered the second defeat given to Phi Eta Kappa in three years, as they won the intramural basketball championship by a score of 21-18 at the Armory Tuesday night.

In the first quarter Pike and Perlmutter broke through the Phi Eta Kappa defense almost at will as the period ended, 9-2. The second quarter saw the Tau Ep boys increase their lead by two points with the score at the end of the half 15-6.

In the last two periods, Phi Eta made a game attempt to catch up, but their last quarter rally proved insufficient to cut down their opponent's lead as the game ended, 21-18 in favor of the Tau Epsilon Phi quintet.

On the previous evening, Tau Ep defeated Dorm B, 35-27, with Perlmutter collecting sixteen points. Backer was outstanding for the frosh with seventeen points to his credit. In the other semi-final game, Phi Eta Kappa easily won from Theta Chi, 31-19.

Baseball Practice To Commence Next Week

Coach Fred Brice will issue his call for the infielders and outfielders next week as soon as the basketball floor is removed from the Armory. The process of building up a winning team this year will be long and hard, for there are only a few veterans from last year's team available. The outfield posts are all vacant, and in the infield the first and third base positions are open. Around the keystone sack Coach Brice will have Herbie Lewis from last year's outfit, and the shortstop position will have Swen Hallgren, also a veteran.

The loss of Clark Abbott has seriously handicapped the catching department, and the most promising man to fill this posi-

tion is Blanchard. The pitchers have been limbering up during the last week. In this department Coach Brice has only Mun Romansky who is a veteran performer, and Hal Hall who has had some previous experience, although there are several newcomers who are showing promise.

As soon as the infielders and outfielders report, batting practice will be carried on daily, so that by the time the team is ready to go outside, the players will have their batting eyes tuned up.

Don't you get Pipe Hungry

once in a
while?

©1933
LIGGETT & MYERS
TOBACCO CO.

TEN CENTS

The Granger pouch
keeps the tobacco fresh

"MAYBE it's back to Nature. Maybe it's something else. I don't know just what it is, but somehow or other I've just got to slip out in the woods and sit down on a log. I always take the old pipe along. Thinking somehow seems easier when you are smoking a pipe. I can fill up my pipe with Granger, and somehow just seem to see things clearer than at any other time.

"Don't know what it is about Granger, but it must be made for pipes—real pipe tobacco.

"Somehow, there's a flavor and aroma about Granger I never found in any other tobacco. When I pack my old pipe tight and good with these big Granger flakes, it's about the coolest smoke I ever enjoyed. It makes me downright pipe hungry every time I look at the package."

Some years ago we made a painstaking,

scientific study to find out, if we could, the kind of tobacco best suited for pipes.

Down in the Blue Grass regions of Kentucky, we found a tobacco called White Burley. There is a grade of this tobacco between the kind used for chewing and the varieties suitable for cigarettes that is best suited for pipes. This tobacco is used in Granger.

This tobacco is prepared by a method worked out many years ago by Mr. J. N.

Wellman. It gives Granger a fragrance and mellowness that pipe smokers like, and makes it burn to a clean, dry ash. Granger never gums a pipe.

Granger has not been on sale very long, but it has come to be popular, and there is this much about it: We have yet to know of a man who started smoking it, who didn't keep on. Folks seem to like it.
