

## State Championships in Football and Winter Sports Are Athletic Features

With the athletic season drawing to a close, Maine has finished a most successful year in sports. The Pale Blue teams have already won the state championship in football, cross-country, and winter sports and are at present fighting it out with Colby for the baseball crown. The only disappointment was the loss of the state track meet which Maine had previously won for four consecutive years. Below is a brief resumé of the entire year in sports.

September 26. Maine loses its opening football game to Rhode Island 8-7. First

Rhode Island victory over Maine since 1916.

October 3. Varsity football team shows unexpected strength and holds Yale to 19-0. Freshman lose initial game to M. C. I. 6-0.

October 10. Football team defeats Conn. Aggies 8-0 by using strong aerial attack. Varsity cross-country outfit win easy victory over Conn. Aggies.

October 12. Bridgton Academy hands frosh football squad its second loss 6-0.

October 17. Lucky breaks give New Hampshire 13-7 win over football team in last seconds of play. Yearling footballers hold powerful Hebron team to a scoreless tie. Freshman hilltoppers run to easy victory over Hebron squad.

October 23. Cross-country team beats Bates harriers 27-32 to get state championship. Frosh win first football game of season by swamping Higgins 37-6.

October 24. Maine upsets Bates team 9-6 to get state series lead. Favor stars for Maine.

October 30. Freshman football team closes season with win over Coburn Classical 13-7; handing the latter its first defeat.

October 31. Pale Blue defeats Colby 19-7 as Robertshaw plays stellar game and scores all three touchdowns for Maine.

November 7. Maine takes state grid title by crushing Bowdoin 20-0 to take first undisputed championship since 1926. Smith and Robertshaw star.

November 9. Varsity cross-country team place third in New England cross-country meet. Booth and Gunning finish fourth and fifth respectively. Frosh finish close second to New Hampshire as Black comes in fourth.

November 15. S.A.E. takes touch football crown from Lambda Chi.

November 16. Varsity harriers finish in ninth position at Nationals as Harry Booth is first Maine runner to finish. Black and Drummond, frosh hilltoppers, among the six runners to set up a new record in the freshman race at the Nationals.

December 1. Milton Sims elected honorary football captain. Frosh elect Sam Reese.

December 5. Freshman defeat sophomores in track meet as toques and ties disappear. Ev Gunning and Ken Black elected captains of varsity and freshman cross-country teams respectively.

December 12. Freshmen shine in Christmas Handicap Track Meet.

January 8. Coach Kenyon's Frosh basketball team opens season by crushing Crosby High 39-10. Winter sports team places at Lake Placid games. Tom Hersey elected football manager.

January 16. Frosh defeat Coburn in close battle 32-29. Wrestling made an intramural sport with John Mee as coach.

January 22. Kents Hill puts blot on frosh unbeaten record in basketball game 34-16.

January 23. Juniors lose to frosh track team 74-61. Coach Brice appointed to Ethics Football Committee. Women's rifle team defeats University of Pennsylvania.

January 30. Relay team defeats M.I.T. at Knights of Columbus meet at Boston. Trackmen prepare for big season.

February 6. Win Robbins breaks Dartmouth snowshoe record as Maine gets third at Dartmouth Carnival.

February 8. Frosh hoopers take game from Gilman High 30-12.

February 12. Hebron downed by frosh court team in thrilling finish 28-24. Roberts stars.

February 13. Maine winter sports team overcomes Bates to retain championship 38-28. Varsity trims frosh in track meet.

February 20. Maine track outfit clinches second place at the University Club Meet—class B relay team cops first place. Frosh hoopers crush M.C.I. and tracksters trounce Bridgton.

February 26. Freshman basketball team close successful season by winning four out of five games on the annual Aroostook trip.

February 27. Beta Theta Pi wins both cups in intramural track meet as Fickett and Floring make up two man track team. Moulton and Fickett break records. Baseball men reporting daily.

March 5. Pale Blue takes over Bates in indoor track meet 62-25 for fourth straight time. Webb and Alley break Bates' records. Phi Eta Kappa defeats A.T.O. to win intramural basketball championship. Yearlings trim Hebron track team 85-19.

March 12. Dartmouth conquers track team 78-48 as records fall in four events. Ken Black sets new record in special 880 (Continued on Page Two)

## GYM CONSTRUCTION WILL START WHEN \$34,000 IS RAISED

### Bid on Revised Plan \$164,000 Deering Is Chairman Of Committee

Plans are now being drawn for the last time for the Memorial Gymnasium which is to be built as an annex to the present Armory and Indoor Field. The contractor's bid calls for \$164,000 in order to complete the building. Already \$130,000 has been raised, and it is now necessary for the committee to collect the remaining \$34,000. Such a task is difficult at the present time, but the committee, headed by Arthur L. Deering, feels confident that the amount will be secured. Construction will begin as soon as the required amount is secured.

The revised plans are satisfactory, and the campus is assured of a well-equipped gymnasium. Included in the building are locker rooms, showers, exercise rooms, a hand-ball court and an injury room, and a towel room. There will be floor space sufficient for three basketball practicing courts, besides the regulation-size court for games. Seating space for 2200 people will be provided. Everything provided for in the original plans is included, except the swimming pool, which will be built at a later date. This was originally intended for the main part of the gymnasium, but according to the later plans will be placed in the wing.

## Nursing School Offers One Year's Curriculum

### Preparation, Amounting to 6 Months' Credit, Is Given for Any State Nursing School

Plans are at present nearly completed for the nursing school, which will offer a special one-year curriculum, including approximately 33 hours of academic work, to all who register for the course. Much interest in the school is being shown, and inquiries regarding the project are being received from all over the state. It is hoped that the initial registration will be sufficient to warrant the course.

This development is of state-wide significance, since it is designed to take students from the entire state, and to prepare them for advanced work in nursing. Completion of this course will give the student nurse 6 months' credit in any of the accredited nursing schools of the state of Maine.

## Bratton Is Newly Elected Journalistic Society Head

William V. D. Bratton, editor-in-chief of the *Prism* and former managing editor of the *Campus*, was elected president of Kappa Gamma Phi, honorary journalistic fraternity at a meeting of that body held Thursday evening. Other officers elected were: vice-president, Edward DeCourcy, and secretary-treasurer, Sherwin Stanley. James Moreland, instructor in journalism, was initiated into the fraternity.

## Depression Has Not Put Blight On Gala Social Season at Maine

In spite of the current depression this year of 1931-1932 has tendered a particularly full and brilliant social calendar with its numerous gymnasium dances, fraternity houseparties, sorority formals, banquets, and senior events, in the guise of the President's Reception and the annual class tea.

The formal season was marshalled on the evening of December 11th with Military Hop. The decorations, the Georgians, and the announcing of the Honorary Lieutenant Colonel were the high spots. This was followed on the 12th by the annual Track Club Cabaret. Next in line came Intramural Ball on February 26. Remember the cute "bear" dance orders? Our own "Pat" Huddleston and his orchestra played for this, and the music was good too!

Sophomore Hop and Freshman Banquet of April 15th were unusually successful despite the rumors by either class of destruction to both affairs. The Hop holds the record for the largest attendance of the year. The Freshmen claim their banquet the best one yet—both in the way of food and orderly conduct.

## Faculty Resignations, Accidents, and Burglarizing Year's Big News Events

History of several kinds has been made at the University of Maine this year. Two ancient customs, Maine Night and the annual Bag Scrap, have been abolished. Dean James S. Stevens, Dr. Caroline Colvin, and Dr. Fremont L. Russell have resigned their faculty positions after long years of service.

Politically the Student Senate and Women's Student Government have been active, the Student Senate in attempts to solve the parking problem satisfactorily

and in raising a \$10,000 fund for the use of needy students. The Women's Student Government in attempt to settle the co-eds' smoking problem and in allowing co-eds to appear on the campus without stockings.

Sadness hung over the campus on March 1 when Emile J. Dawson, honored and respected member of the Class of 1935, died as the result of an injury received while boxing. Other accidents have ranged from automobile smash-ups to hunting accidents and water mishaps.

Despite the economic depression, President Boardman was able to announce the new Hovey Scholarships for students in the College of Technology on November 30.

Freshmen have shown their independence on two occasions. On November 4 freshman co-eds raised a howl of protest at the manner in which they were being treated by the Sophomore Eagles, and on April 14 the freshmen declared war on the sophomores by kidnapping Stan Searles just before the Sophomore Hop and Freshman Banquet.

Chronology of the year:

Sept. 23. Student Senate enters protest against Trustees parking regulations.

Sept. 25. Annual Bag Scrap declared a tie.

Oct. 3. Work begun on new A.T.O. house.

Oct. 8. Maine Night replaced by Home Coming Day by action of Alumni.

Oct. 10. Merrill Hall dedicated.

Newton C. Churchill appointed Lieutenant Col. of local R.O.T.C. Phi Kappa Sigma wins national scholarship cup.

Oct. 22. Dean Paul Cloke picked to head Hoover's Unemployment Relief Committee in Maine. Harry Hasey, Kenneth Sullivan, and William Pond escape injury in accident on Veazie road. Student fined for hitch hiking.

Oct. 25. Evelyn Gleason, Elizabeth Hilliker, Alfred Bittner, and Gerald Perkins slightly injured as car skids in Veazie. Alleged "Peeping Tom" creates disturbance among freshettes at Mount Vernon.

Oct. 30. Dean James S. Stevens suffers stroke while returning from convention in Portland. Bob Shean injured in accident on Houlton road.

Oct. 31. James Kenney '34 rescued from drowning when tug picks him up after canoe overturns in Jericho Bay. Stanley Cole and Clyde Nickerson receive bullet wounds in hunting accidents.

Nov. 4. Freshettes protest treatment given them by Sophomore Eagles. Matter settles itself.

Nov. 6. Stan Blanchard, Kenneth Aldrich, Chick Marston, Lewis Hardison, Ralph Dougherty, and George E. Osgood added to membership in Sophomore Owls. Fern Allen elected member of Sophomore Eagles.

Nov. 9. The Freshman begins second year of publication.

Nov. 10. Student Senate adopts new rules for conduct of class elections.

Nov. 11. Stanley Cole released from Eastern Maine General Hospital after confinement from bullet wound. American Legion Post in Orono attempts to have Armistice Day observed at University.

Nov. 12. Masque opens dramatic season with Philip Barry's "Holiday."

Nov. 24. Owls at it again with result seen in frosh with clipped hair.

Nov. 30. President Boardman announces three new scholarships for Tech students.

Dec. 2. Don Corbett injured when struck in the arm by javelin.

Dec. 3. Spanish Club presents much talked of operetta. Announcement made of coming publication of *The Maine Review*.

Dec. 8. Tau Beta Pi picks fourteen new members.

Dec. 9. Philip Brockway takes examination for Rhodes Scholarship, being one of two candidates from the state of Maine.

Dec. 10. Ev Gunning, Sam Calderwood, Stan Searles, and Milt MacBride elected class presidents in annual election. Masque presents "Allison's House" as second play of the year.

Dec. 11. Mary Scott's election as honorary Lieut. Col. announced at Military Ball.

Jan. 4. John Doyle, Linwood Wessel, Parker Frost, and Clayton Robertson injured in accident while returning to school from Christmas vacation.

Jan. 5. Classes begin after two weeks vacation. Fire in center section of Hannibal Hamlin Hall extinguished by quick action of freshmen.

Jan. 12. Lina Basquette, stage and (Continued on Page Two)

## OWLS PUT SPOT ON TEN FRESHMEN FOR NEXT YEAR'S GROUP

### Searles Announces New Men Pledged Between Innings Of Yesterday's Game

While the varsity baseball team was worrying over the one run lead that Bowdoin held at the end of the fifth inning of yesterday's game, Stan Searles, president of the 1934 Sophomore Owls, announced the names of ten freshmen who have been pledged to membership in the society for next year.

The new men, picked for excellence in athletic achievement during the year are: Russell "Red" Walton, A.T.O. pledge, who starred on the football and baseball teams; William B. Cole, Phi Kappa Sigma pledge, short distance runner; Maurice Goddard, Phi Kappa Sigma pledge, track letter man; Milton MacBride, Phi Eta Kappa pledge, elected class president, star on football, basketball, and baseball teams, honorary captain of basketball.

Clyde Higgins, Phi Mu Delta pledge, track star; Kenneth Black, Phi Kappa Sigma pledge, holder of indoor 880 record, treasurer of freshman class; Donald "Bunny" Anderson, Theta Chi pledge, star football, basketball, and track man; Charles Sleeper, Kappa Sigma pledge, high jumper and runner track letter man; Harry Shea, Lambda Chi Alpha pledge, four numeral man with numerals in football, basketball, indoor and outdoor track; and Carl Honer, A.T.O. pledge, football and baseball player.

The Country Dancers: Rachel Adams, Margaret Dodge, Ruth Harding, Allegra Ingerson, Ella Rowe, Ruth Vaughn, Maxine Harding, Ruth Libby.

The committees are as follows: chairman, Margaret Burrill; advertising and programs, Margaret Churchill; costumes, Ruth Callaghan, Blanche Henry, Marjorie Moulton, Martha Smith; grounds, Hildreth Montgomery; music, Helen Stearns, Grace Quarrington; properties, Olive Perkins, Rebecca Spencer; rehearsals, Elizabeth Barrows, Alice Dyer, Francis Dean, Dolly Dumphy, Priscilla Noddin, Katherine Trickey.

## Alice Sonnichsen Picked New President of Eagles

The Sophomore Eagle society initiated eleven recently pledged girls at Coburn Hall last Wednesday evening. The initiates are Jane Chase, Agnes Crowley, Ruth Harding, Frances Johnson, Phyllis Johnson, Ruth Libby, Annie MacLellan, Ella Rowe, Alice Sonnichsen, Jean Walker, Louise Wilhelm.

At a meeting of the new Sophomore Eagles, held Monday afternoon, the following officers were elected: president, Alice Sonnichsen; vice-president, Jane Chase; secretary, Ruth Harding; and treasurer, Ruth Libby.

## NOTICE

All students who have not yet turned in their blanks stating whether or not they will return to college next fall are requested to hand them in at the Registrar's office at once.

## TOTAL TAKEN LAST WEEK NEARLY \$200

### Police Say Students Should Take Precautions To Prevent Thefts

A final check-up on robbery losses among the fraternity houses last week reveals thefts at two houses other than those mentioned in the last *Campus*, those being Phi Kappa Sigma and Phi Mu Delta. Phi Kappa Sigma lost \$25 on Wednesday, and Phi Mu Delta was \$63 behind when the occupants woke up on the morning of the same day. A sum total of about \$200 was gathered on that one night, May 18. The freshman men's dormitories have suffered also, nearly \$72 disappearing in one afternoon last week, totaling about \$100 loss in thefts in the center section of Hannibal Hamlin.

The Orono police department do not feel entirely at fault for not having apprehended the criminals. In a recent interview, representatives of the force stated that they had instructed the fraternity men how to catch the thieves. If the men had followed out the instructions, the criminals would be in jail now, according to the police. Even before this last break, the fraternities that had formerly been robbed were warned to keep watch during this particular season. The Orono representative of the law stated his belief that either one or perhaps two persons were doing the robbing, probably people residing on campus.

A feature which seems typical of all the thefts is that only money is taken, and that, usually when it was in clothes. Jewelry and watches were seldom kept. A watch broken and stopped at 2 A.M. at the S.A.E. house seems to indicate the general time of all the thefts, circumstances evidencing similar time at other houses.

## Maine Tech Profs Attend Convention at Bangor Sat.

Dean Paul Cloke, Professor E. H. Sprague, and Thomas W. Clark, Hydraulic Engineer of Old Town, as a Committee, arranged the program for the Maine Association of Engineers Meeting held at Bangor, May 21, 1932. The members first paid a visit to the new automatic telephone exchange in Bangor, accompanied by Ira P. Watson, the manager, who directed the visitors through the intricate plant and gave a fine demonstration of its working. This was followed by a visit to the Bangor Water Works, where A. C. Powell, Supervising Chemist, gave a demonstration as to how polluted water was purified and made potable. Another interesting feature at this particular plant was the 12 boats which were out on the salmon pool, trying to land the world-renowned Penobscot Salmon. During the afternoon, another party was visiting the Waldo-Hancock Bridge at Bucksport, under the direction of the Secretary of the Association, Bryant Hopkins. This group then inspected the Maine Seaboard Paper Mill which is also located in Bucksport. In the evening a banquet was held at the Bangor House where a most interesting and instructive address was given by Dr. Compton, President of the Massachusetts Institute of Technology, who took for his subject "The Engineering Outlook."

## FINAL PRISM NOTICE

There are still a number of subscribed issues of the "Prism" that have not been called for at Mr. Kelley's office in Alumni Hall. These have already been placed on the spring semester term bills. This is the last week that the copies can be called for, otherwise they will be held over until next fall.

## UNFINISHED BUSINESS

As the school year draws to a close we find that some things have been accomplished and many things have been left undone.

Foremost in the minds of many students is the parking rule, which has been hashed over too much to need further elucidation here. The fact remains that students still have a long walk from the parking space to their classes and that the Trustees of the University refused to meet a committee from the Student Senate and the Women's Student Government, which was formed to discuss the matter with them.

Either because of narrow-mindedness or misunderstanding on someone's part, co-eds must still smoke on the sly. It stands to reason that, since they are going to smoke anyway, regardless of whether rules forbid it, the rules should be changed to allow them the privilege without making them sneaks or criminals.

We still have course crabbing, cribbing, and final examinations. Probably only in a Utopian institution would all these things be removed, but certainly conditions can be improved.

Congress last week defeated a move, proposed as a method of economizing, to remove military training temporarily. As a result they are keeping an institution that is supposed to develop good citizenship but in reality develops blind patriotism.

Freshmen next year, though they will be deprived of a victory in the bag scrap, will nevertheless have their education hindered by a custom inherited and continued for pleasure of upperclassmen, namely Freshman Rules.

Students will still be in danger of arrest for hitch-hiking while at the same time their money and jewelry in their fratern-

ity houses and dormitories will be in danger of theft.

Deserving and capable students will be deprived of positions of honor in various fields of extra-curricular activity because of fraternity and sorority politics.

We shall, however, have at least one and possibly two new buildings here next year. Somewhat crowded conditions in the College of Arts and Sciences will be remedied by two wings added to the building to be known as Stevens Hall, and in all probability the Memorial Armory will be completed.

Stepping in with much needed help at a critical time the entire University students and faculty alike, raised a much needed loan fund sponsored by the Student Senate.

Credit is due the Senior Skulls and the Alumni Association for improvements made when they removed some worn-out and useless customs. Maine Night had degenerated and the Homecoming Day, which has replaced it, should serve the purpose of renewing University relationships with alumni better than the old football rally did. The bag scrap, recently abolished by the Skulls was a useless custom, and was objectionable to many of the witnesses. It was usually one-sided and should have been called "The Nudist Convention" rather than the Bag Scrap.

The objectionable conditions listed here are not listed in a spirit of complaint nor a spirit of lamentation. We have listed them because they are problems confronting the student body and problems which we must attempt to solve next year. Some of them, it is true, are beyond our powers of solution, and some of them are under serious consideration now. We hope that a year from now we may look back with satisfaction in knowing that conditions have been improved.

Fancy having no moon for all those gorgeous and devastating imports last week-end—a dirty gyp—and didn't they deserve a moon after coming way up here or way down here, and haven't they had perfect weather for every other week-end?????!!\*\* Some of the boysh didn't even know there wasn't any moon so 'tis said. Not little Billy??? No!!...The poor A.T.O.'s couldn't find elbow room in their own house last week. And the kind visitors brought along

plenty of good old mud and gravel and rocks to polish the floor with—made it perfect for dancing you know—Doesn't it wring your heart to think what those pure and undefiled walls are going to look like next spring at this time? ...Of course you've seen the huge dangerous and ferocious sarpiant over in Coburn—a wild boa constrictor kept in solitary confinement lest it go on a tear! Poor thing, it did love bananas so much, and now it can't find anything more palatable than Mert Flanders. We sympathize most deeply. We might suggest to our wandering professor that if he goes on another little ramble he might take his lunch along—or was it only a rumor with an a la Paule treatment?...A busy campus we had with all the little Play Day girlies (with the usual P.D. weather) and all the thousands and thousands of little Boy Scouts each one ready to do his good turn—and how did they all find room over in the Armory to do a good turn is wot I'd like to know?...And another thing I'd like to know is where Dunphy lost her voice and got that bass contraption she's got now???...Are we proud of our social successes? Our Maine girls who rated the Bowdoin Ivy this week! Glad we've got a few smooth babes—it makes us feel less cowed y'know, or something like that. We hope they didn't commit no grave social errors—deah me!...Just two or three insignificant drowsy little classes left to go to on this whole year! Very sad isn't it? But we'll bear up—And—eat, drink, and be merry this week-end folks, for Tuesday you—study!

## President To Interview Committee on Smoking

As a result of the agitation during the past year among women students of the University for the privilege of some designated place on the campus where they may smoke, President Boardman has consented to interview a committee to discuss the question.

The issue has been thoroughly aired by the Women's Student Government Association and a survey taken which showed that a large percentage of the fraternity women either smoke or entertain no serious objection against the practice.

# Hall's Homer in 9th Beats Bowdoin

## Hincks Steals Home Twice as Maine Wins Slugfest by One Run Margin in Series Contest

Smashing out a terrific line drive to right center which shot past the center fielder and developed into a home run, Hal Hall in the ninth inning in the game between Maine and Bowdoin played here yesterday enabled the Bricemen to break up a tie and beat the polar bears 10-9. In the sixth inning Hall relieved Romansky on the mound who was a bit wild in his delivery. Bowdoin knocked Spurling from the slab in the first inning and Romansky resumed duties in the box until the sixth.

With the score 7-1 against them going into the half of the fourth frame, Maine fought an uphill battle and forged ahead in the lucky seventh 9-7. But Bowdoin sneaked across a run in each of the last two innings and tied the score. Then Hall poled out his four base hit to win his own game in the ninth.

Blondy Hincks featured for Maine with two clean steals home. Clark Abbott and Kish Kisonak led the batting attack with the former pounding the pill for a home run, double and single.

winner, beat out Floring for second position, then Coach Magee's squad would have garnered the championship.

Maine crosses bats with Colby today in the crucial ball game of the year which will decide the state series championship. Though the pale blue still has a game with Bates to play off with, the chances are that if they defeat Colby they will upset Bates. Without a doubt, Colby will have their star frosh hurler, Foster, on the mound. The latter has already set back the Bricemen, but the brand of ball Maine has displayed in the last two games shows that Colby will have its hands full.

The thirtieth annual Interscholastic Track and Field Meet for prep and high schools will be held on Alumni Field this Saturday. The trials will be held at 9 A.M., the field events at 1 P.M., and the running events at 2 P.M.

## FLORING SETS NEW MARK AT N.E. MEET

A margin of two points prevented Bowdoin College from winning the New England Track and Field Championship at Brown University Saturday afternoon as Boston College topped the field with 21 points to Bowdoin's 19. Brown was third with 18 while M.I.T. won fourth place with 17 points. Maine tied for fifth together with Holy Cross, having garnered 12 points.

Bill Floring set up a new record at the Brown oval in the 220 yard low hurdles, when he beat out his rival Ray McLaughlin of Bowdoin to win the race in 22 2-5 seconds. Floring assumed the lead at the start and kept it to the finish with McLaughlin close at his heels during the whole run.

Webb and Hathaway, after establishing a new record at the State Meet, were only able to tie for third place. However, they jumped 12 feet 3 inches, 1/2 an inch over the state record. The winning height of

the meet was 12 feet 4 1-4 inches.

Don Favor placed third in the hammer throw and Cal Fickett took third place in the discus.

The freshman medley relay team took second place in its event being defeated by the Brown combination. Ken Black ran the half mile, Bill Cole the 440 yard dash, and Rod Mullaney and Clyde Higgins each ran a 220 yard dash.

Pounding the visiting hurler, Farnham, for a total of 11 hits, Maine halted Colby's march towards the state championship last Thursday afternoon by handing Roundy's Mules a 9-1 beating. Fern Bagley held Colby to 7 scattered hits and won his second consecutive game for Maine. Smith, Nutting, and Hallgren were the big stickers for the Bricemen while Herbie Lewis hit a home run

# DO YOU INHALE?

A frank discussion  
at last on a subject that has  
long been "taboo"

"LET sleeping dogs lie!" So said the cigarette trade when first we raised the subject of inhaling. But dodging an important issue is not Lucky Strike's policy!

Do you inhale? That question is vitally important... for every smoker inhales—knowingly or unknowingly. Every smoker breathes in some part of the smoke he or she draws out of a cigarette! And the delicate membranes of your throat demand that your smoke be pure, clean—free of certain impurities!

No wonder Lucky Strike dares to raise this vital question! For Luckies bring you the protection you want... because Luckies' famous purifying process removes certain impurities concealed in every tobacco leaf. Luckies created that process. Only Luckies have it!

So, whether you inhale knowingly or unknowingly, safeguard those delicate membranes!
