MAINE BEATS BATES BUT FACES STRONG TEAM IN COLBY MULES SATURDAY

Favor-Romansky Pass Nets Lone Score of Bates Contest

Dave Morey and Fred Brice stacked wins against each other Saturday, and after the Bates Bobcat and the Maine Bear had fought for three scoreless periods Mun Romansky, Pale Blue back, slipped through center, and pulled down one of Don Favor's bullet forwards, to race untackled over the goal and give the Orono eleven a 6-0 victory and the Pale Blue mentor another triumph over his Lewiston coaching rival.

Through the fine broken field running of its sophomore fullback, Bill Pricher, the Bates aggregation from the first slightly outrushed its Maine opponents, but what advantage they realized in this was partly offset by the fine kicking which the Oronians received all afternoon from Favor.

Despite the fact that it outrushed the Blue gridders, Bates showed considerable weakness in the forward passing department. Of four attempted passes two were grounded and two were intercepted.

HONOR SYSTEM TO GO BEFORE SENATE

For Consideration and Possible Presentation to Student Body at Later Date

Below is the proposed honor system, which will be discussed by the Student Senate tonight. If, after due consideration, it meets with the approval of the student body, the faculty, the Board of Administration, and the Board of Trustees, it may be adopted with or without alterations.

At a student-faculty meeting held on October 1 and 2, 1932, at Camp Jordan in Ellsworth, Maine, the subject of dishonesty was discussed, with particular reference to dishonesty in work submitted for credit. The following plan was finally proposed by the group:

1. That an honor system be devised.
2. That this plan be submitted to the Board of Administration of the University of Maine for approval.
3. That, following the approval of the Board of Administration, this plan be (Continued on Page Two)

Photo of Every Student and Faculty Member in "Prism"

The 1934 Prism will contain individual photographs of all the members of the four classes and of the faculty. These photographs will not cost anyone anything.

The juniors have engaged the Apeda Studio, the largest commercial photographers in New York City, to take all the photographs for the Prism. By having one concern take all the photos, the size of the faces and the background will be uniform throughout the entire book. Three photographers from this studio will be on the campus soon and will start work October 31.

Individual appointments will be made with each member of the University by members of the Prism board. An appointment will require only about ten minutes of each person's time. The Prism board requests the cooperation of the entire student body and of the faculty in the prompt meeting of each appointment. There will be three poses taken of every one, five of the seniors, from which one is to be selected by each person for use in the book. To avoid the confusion of other years, group pictures of fraternities and other organizations will be taken in front of their respective houses instead of in the gym.

Copies of these individual photographs can be obtained at a special rate. However the Prism board wants it clearly understood that these pictures will be taken without any charge or obligation of any sort.

Colby Game Dubious as Injuries Cut Hole in Maine Line-up

A badly crippled University of Maine football eleven will battle it out with a strong Colby team in the crucial encounter of the state series championship at Alumni Field Saturday afternoon as the feature part of the program of the second annual Alumni Homecoming. One of the largest attendances in years is expected to attend the game which is predicted will be the deciding issue in the fight for state honors among the four Maine teams.

The Black Bears have already taken one step successfully towards their crown by nosing out Bates last week 6-0 while Colby gained an impressive win over Bowdoin 25-0. Colby displayed a powerful offense whereas Maine's attack was below its usual standard. Due to the fact that the Bricemen have been so hard hit by injuries, this alone makes the Roudy team the favorites for Saturday's tussle.

The latest injuries to crop up in the football camp this week as a result of the Bates clash were those of Gil Robertshaw and Julius Pike, and it is unlikely that either will be available for the game on Saturday. Robertshaw received a bruised leg while the veteran tackle Pike was the recipient of a badly swollen eye. Johnny Wilson reported for practice for the first time in two weeks but the star quarterback will not be ready for action until the Bowdoin game.

As a result of the injuries Coach Fred Brice has been forced to make radical shifts in his lineup which is stopping the natural development of the team. Mun Romansky has been shifted from his right halfback post to Robertshaw's place at fullback and Ted Butler, sophomore reserve, is due to see service at Romansky's post. "Sugar" Kane has been shifted to Pike's place in the frontier at left tackle, while Frank Craig will resume his old position at the other tackle. Sam Reese seems to have the call over all other candidates for John Wight's guard post.

57 Enter Faculty-Student Tennis Tourney; Opens Mon.

The faculty-student tennis tournament got under way Wednesday with the posting of the drawing in the entrance of Alumni Hall. Fifty-seven players have entered, thirty of whom are students and twenty-seven, faculty members. The drawing was arranged so that in the first round a student is opposed by a faculty member.

The first round is to be played off by Monday, weather permitting, and the players are requested to call their opponents at once. Those desiring further information should get in touch with Dr. Small.

The matches will be played as follows: Fred Griffie vs. Robert Aldrich; A. C. Andrews vs. L. Homonoff; O. S. Lutes vs. A. L. Rottenberg; G. S. Small vs. R. L. Copeland; K. S. Rice vs. G. E. Perkins; J. A. Chucka vs. W. Butler; J. Moreland vs. J. Turbyne; G. F. Shaw vs. J. E. Martin; M. Bailey vs. P. G. Pendell; W. Scamman vs. G. A. Soule; A. K. Gardner vs. W. E. Matchett; L. C. Jenness vs. W. B. Ashworth.

T. Curtis vs. R. C. Knowlton; R. A. Burns, bye; W. B. Brooks vs. C. Lampropoulos; C. Phipps vs. R. T. Cameron; F. Chandler vs. C. Bunker; D. B. Young vs. A. Fuller; A. Morris vs. E. Little; R. N. Atherton vs. P. Frost; E. M. Dunham vs. R. H. Captain; E. N. Brush vs. R. Durrie.

The Maine Masque will hold a tea dance directly after the Colby game, Saturday, October 29. Music will be furnished by Smith Ames' orchestra. Dancing will last until 7:30.

Season tickets for the Masque plays may now be procured from Masque members or from the bookstore, at two and three dollars.

H. J. Cook, Toastmaster Tomorrow, Was Athletic Leader in His College Days

Horace J. Cook of Auburn, graduate of the University of Maine class of 1910 is to be toastmaster and presiding officer at the first meeting of "M" men which is to be held here next Friday.

During his undergraduate days at the University Mr. Cook was one of the leaders in athletics. He played on the varsity football team all four years in college being captain his senior year. He also was a member of the varsity track and relay teams as well as being on class teams and holding class offices.

Since graduation Mr. Cook has retained a lively interest in the university affairs and is now president of the Androscoggin Valley Alumni Association.

Plans are rapidly being shaped up for this meeting which is to be held in Alumni Hall at five thirty with Theodore S. Curtis, faculty manager of athletics, and Maynard Hincks, assistant to the dean of men, in charge. All lettermen, alumni and undergraduates are being invited to attend the meeting. It is part of the second annual Alumni Homecoming program which takes place October 28 and 29.

In spite of the fine weather this week only two intramural touch-football games were played in the elimination tourney. In the Northern League, Beta Theta Pi defeated Oak Hall 18-0, and in the Southern League Phi Kappa overcame Phi Gamma Delta by a score of 6-0.

DINNER FOR LETTER MEN, LUNCHEON FEATURES OF HOMECOMING WEEK

RABBI WISE SPEAKS AT ASSEMBLY TODAY

Famous New York Rabbi Has "Why Go On Caring?" As Subject

Rabbi Stephen Samuel Wise, well-known author, lecturer, and theologian, will speak at Alumni Hall this afternoon at 4:15. His subject will be, "Why Go On Caring?"

He is at present Rabbi of the Free Synagogue of New York, where he has preached for several years. He is the founder and president of the Jewish Institute of Religion, a preparatory school for the ministry and also the founder and trustee of the Near East Relief. Two of his best-known books are *How to Face Life*, and *Child Versus Parent*.

He was born in Budapest, Hungary in 1872. He received his A.B. degree from the College of the City of New York, his Ph.D. from Columbia, and honorary degrees from Temple University and Syracuse University.

YEATS TO SPEAK FOR CONTRIBUTORS CLUB

Famous Irish Poet Gives Two Addresses Tuesday, One Morning, One Evening

Perhaps the outstanding spokesman for Irish art, literature, and the drama, as well as a spokesman who is entitled to present Ireland's political situation, is William Butler Yeats, who will speak here Tuesday, November 1, in Alumni Hall, under the auspices of the Contributors' Club.

Mr. Yeats is not only the central figure in the Irish literary renaissance, but he has also been conspicuous in political circles and is now a member of the Irish Free State Senate, a position he has held ever since the Irish Free State was set up. Born in Dublin, Yeats spent much time in his youth with his father who lived a great deal outside of Ireland. He studied painting for a short time, but at the age of twenty-four published his first book of poems, *The Wanderings of Oisín*, and from that time on gave his whole attention to literature. He was also a frequent contributor to the National Observer and one of the founders of the Rhymers' Club. In 1915 he published *Reveries over Childhood and Youth*, and in 1922 *The Trembling of the Veil*. Both books are now in a single volume called *Autobiographies*, in which will be found the history of the first thirty years of his life.

Mr. Yeats has been in America before. He came shortly after he had been awarded the Nobel Prize for Literature in 1923, lecturing extensively throughout this country and attracting large and delighted audiences.

Not only is he a Senator of the Free State, but also Minister of the Fine Arts in the Dublin Cabinet. Yeats was made a doctor of literature by Trinity College, Dublin, in 1923, but begged to be excused when Mr. Lloyd George, on suggestion of the Earl of Balfour, and with the express approval of the King, wanted to make him a knight.

Mr. Yeats will give two lectures Tuesday. The first will be held at 9:30 in the morning and will be open to all; the evening lecture for which admission is being charged, will be at 7:30.

MAINE COLLEGE PHYSICS TEACHERS MEET HERE

The Teachers of Physics in the Maine Colleges will be on the campus for a meeting Saturday. This organization was founded in 1926 at the University of Maine and has met semi-annually at the various Maine colleges since that time. The morning will be spent in discussion of various problems in teaching physics. Dean Cloke will speak after the dinner to be served at the Log Cabin Coffee House.

Gov. Elect Brann To Be Principal Speaker At Luncheon

Second annual Alumni Homecoming at the University of Maine opens Friday, October 28. The program which will continue through Saturday consists of athletics events, dinners and luncheons. The new innovation of a meeting of lettermen seems to be meeting with pleasing response.

The complete program for this meeting is as follows: Presiding officer, Horace J. Cook of Auburn; Introduction of varsity team members by faculty manager Theodore S. Curtis; Talks by Coaches Fred Brice, Chester Jenkins, Phil Jones, and Trainer Stanley Wallace; Discussion of Maine Athletic Policies by Dean L. S. Corbett, chairman of the Athletic Board. The New Gymnasium and its relationship to athletics will be discussed by Arthur L. Deering. Following the conclusion of the formal program, there will be general discussion regarding the possibility of future meetings of similar type.

At the luncheon Saturday noon, President Harold S. Boardman is to preside and Professor Charles P. Weston to deliver the welcome. Arthur L. Deering will award the Alumni Service Emblem and the address of the day will be given by Governor-elect Louis J. Brann, alumnus of the University of Maine, class of 1898. Reservations for these functions are being received with indications of a large attendance at each.

First International Debate Here Goes to Mount Allison

Berridge, upheld the negative of the question, Resolved: That most advertising tends to be detrimental to the best interests of the general public; while A. Hamilton Boothby and Max Rapaport of Maine upheld the affirmative. Max Guyer, instructor of history, was the chairman. The judges were: Judge E. J. Gleszer of Bangor, A. G. Averill of Old Town, and Rev. H. D. Berlew of Orono.

The Campus wishes to extend a sincere welcome to University of Maine alumni who have returned this week-end. Homecoming Week at Maine is still in its infancy, this being only the second, but judging by the success of last year's and the program laid out for this year's, it should grow to be a worthwhile tradition of the institution.

The Campus thanks the students who participated in the straw vote on Tuesday and those who aided in running it off, for their cooperation in making it a success.

Sir,

How many of the people that voted in the poll conducted by the Campus on Tuesday last can name three constructive things that Hoover has done (no sarcasm intended) or one plank in the Republican and Democratic platforms besides the one on prohibition?

Jayvees Score 25-0 Win Over Charleston

Displaying a smashing running attack and a fine aerial offense, the Jayvee eleven, in its first contest of the season on Friday, amassed four touchdowns and scored a decisive 25-7 win over the Black and Orange gridsters from Charleston.

The Maine touchdowns came as results of two fifty-five yard drives, a forward pass, and an intercepted pass, respectively. Higgins scored their touchdown late in the second half. During the game, the junior varsity eleven completed three out of seven attempted passes, made thirteen first downs, and were obliged to punt only twice.

Notes from the straw vote: Brice (Spindly Shanks) Jose is champ ballot box stuffer. One li'l frosh saw the ballots and exclaimed "Oh, I thought they were going to be STRAW." Franny Knight voted for someone named Herbert C. Hoover for president of the sophomore class. Mun Romansky claims that he cast four votes (but he didn't)—Foster got 2 votes—better do some campaigning. Ken.... Pretty good to see a football game and hear it broadcast at the same time, must come in handy for some of these bright co-eds, who know so much about football.... Who is the gay little sophomore who waves so enthusiastically to Garbo Walenta.... One of the co-eds who scribbles for our dear little sheet promises that she'll get herself a pin by next week. What confidence.... We announce the engagement of Miss Hepzibah Murch to Philip Space.... Remember folks, Friday is NOT Maine night.

WESLEY PLAYERS GIVE ONE ACT PLAY SUNDAY

"The Color Line," a religious drama in one act, will be presented by the Wesley Players at the Methodist Episcopal Church this Sunday evening. This is the first play of the season for the Wesley Players.

This is the regular meeting of the Student Forum which on the last Sunday of the month is open to both students and townsfolk and is held in the church auditorium.

Francis Morong is chairman of the Players and has assembled the following cast for "The Color Line": Henry Lawson, Donald Brittain; Fu Chun, Francis Morong; Barbara McKean, Kathleen Wormwood; Stanley Preston, Ronald Langille; Wanda Williams, Vivian Moors, and Miss King, Violet Moors.

The girls of Delta Zeta Sorority gave a tea at Colvin Hall on Friday from three to five o'clock in honor of their new faculty adviser, Dr. Ruth Crosby, and their patronesses, Dr. Percie Turner, Mrs. Ashworth, and Mrs. Eleanor Small.

The table was ornamented by a large bouquet of Delta Zeta Killarney roses. Tea was poured by Winona Harrison and Elizabeth Davis, and was served by the pledges.

Merton S. Parsons of the Department of Agricultural Economics and Farm Management was in Boston October 25 and 26 attending the annual meeting of the New England Milk Producers' Association.

SOCIETY

PI PHI'S HOLD INFORMAL AT COUNTRY CLUB FRI.

The Pi Beta Phi Sorority held an informal at the Country Club Friday evening which proved to be most enjoyable. About thirty-five copies attended and danced away the evening to the gay tunes of Perley Reynolds' Commanders. Each and everyone seemed to have a perfect time, especially during intermission, when refreshments of coffee and sandwiches were served.

The chaperons were Prof. and Mrs. Paul Bray and Prof. and Mrs. Harry Watson. The committee in charge of the arrangements were Muriel Holmes, Marjorie Moulton, and Margaret Davis.

THETA CHI'S CHOCOLATE DONUTS OKAY, SAY CO-EDS

Theta Chi's chocolate doughnuts were voted to be the best on campus by all the co-eds who attended the vic party held at the house last Friday night. The doughnut box was open all evening and not a doughnut remained after the party was over. Three cheers for Mr. Walter Hayes, the Theta Chi chef, were given between mouthfuls of doughnuts.

Mrs. Alice Witherlee, the house matron, chaperoned.

NEARLY FIFTY COUPLES ARE AT DELTA TAU PARTY

Delta Tau Delta entertained forty-five couples at their first informal last Friday night. The house was decorated with orange and black streamers, while the autumnal effect was further carried out by colored leaves.

Mrs. Shea, Major and Mrs. Eberle and Mr. and Mrs. Maynard Hincks chaperoned the affair.

The chairman of the committee in charge was Del Ballard. A colored orchestra, the Harlem Knights, furnished the music in convincing style.

P.V.C.C. SCENE OF CHI OMEGA INFORMAL DANCE

Chi Omega held its informal dance at the Penobscot Valley Country Club Saturday. A buffet supper preceded the dance. Perley Reynolds' Romancers furnished the music for the affair.

The dance was chaperoned by the patrons and patronesses of the sorority, Dean and Mrs. Paul Cloke, Mr. and Mrs. Frederick Youngs, Dr. and Mrs. Elmer Hitchner, and Dr. and Mrs. Asa Adams. Merritt Dunn was in charge of the arrangements.

PHI ETA DECORATED WITH LEAVES FOR PARTY

Phi Eta Kappa held their autumn informal party last Saturday evening. The house was appropriately decorated with autumn leaves. Mrs. Carrie Blanchard and Mr. and Mrs. John Swett were the chaperons, and Perley Reynolds' orchestra furnished the music. Those on the committee in charge of the party were A. Kermit Crandall, Arthur Hoyt, and John Martin.

FACULTY LADIES DINE WITH W.S.G. MEMBERS

The men of the campus got the short end of the bargain last Sunday afternoon when the Student Government gave a tea to the ladies of the faculty and the wives of the men of the faculty. From three to five, Dean Bean, Martha Smith, Frankie Dean, Betty Wilhelm, and Jane Chase received the many guests who came to enjoy their hospitality at Balentine Hall.

They say the best way to make people happy is to give them something to eat, some soft music, and a chance to talk. So tea, sandwiches, cakes, and nuts were served. Laura Brown and Esther Carr furnished the soft music and, needless to say, there was plenty to talk about.

SIGMA CHI'S ENTERTAIN AT VIC PARTY SATURDAY

Sigma Chi House was the scene of a lively vic party Saturday night. There were several novelty dances during the evening including a "Cinderella Dance" which caused much gaiety.

"Jim" Shields was chairman of the committee, and the party was chaperoned by Major and Mrs. Eberle.

A large gathering attended Lambda Chi's first informal, a dance given primarily in honor of the pledges last Saturday

night. Mrs. McDonough, Mr. and Mrs. Stanley M. Wallace, Mr. and Mrs. Ivan Iverson, and Mr. and Mrs. William C. Kenyon chaperoned. In charge of the affair were Arnold Peacock, Andrew Iverson, and Rudolph Johnson.

The house was decorated with streamers, black cat designs, and hallowe'en placards. During intermission refresh-

ments consisting of ice cream and cookies were served. Lloyd Rafnell and his Georgians furnished the music.

The A O P's held one of the most successful stag dances of the year last Friday night with a large number attending. A confetti dance was one of the features of the evening.

WE buy the finest, the very

explain why folks every-

the mildest cigarette. The fact
is, we never overlook the
truth that "Nature in the

these fine tobaccos, after
proper aging and mellowing,
are then given the benefit of
that Lucky Strike purifying
process, described by the
words—"It's toasted". That's
why folks in every city, town
and hamlet say that Luckies
are such mild cigarettes.

Does not this explain the world-wide acceptance and approval of Lucky Strike?

SPORTS SPIELS

By BOB BERG

Something which is not quite clear to us is the way Bowdoin treats cross-country. Coach Magee says he uses cross country as a means of developing milers and two milers and strengthening half milers. He is bitterly opposed to a five mile grind over ploughed ground, barbed wire fences and through brooks and water holes. He does not enter a team in the state championship race, yet Bowdoin was represented last year in the New England cross country race and is entering this season—and the race is over a five mile course.

Evidently Bowdoin does not seem to realize that the New England course at Boston is about as difficult as any course in the state. Here at Maine, three fourths of the course is run over easy road work. There are no such obstacles as Magee is opposed to. Only a small part of the course where the race takes place, is somewhat slippery, but do not tracksters have to run on muddy tracks in some meets?

When Maine lines up against Colby on the gridiron Saturday, it will mark the 43rd time that the two rival elevens have met. The Black Bears have the edge over the White Mules with 23 victories to their credit against 16 for Colby. Three of the tussles resulted in ties.

This year Colby will be the decided favorite due to the crippled condition of the Maine team and also because it has displayed the finest offense in the state thus far. Last year, Maine entered the game at Waterville in nearly the identical position as this year. The eleven was badly injured. Colby had beaten Bowdoin 32-6 while the Bricemen just nosed out Bates 9-6. Then against Colby the Black Bears put on one of the best games of the season to swamp them 19-7.

by Maine men. Seven out of nine Bear aerial efforts failed and one was intercepted, but the play which Coach Brice had been staking to beat the Morey men was unleashed upon the Red horde at the opportune moment to give Maine her touchdown and victory.

Both lines were outstanding in a purely defensive game all afternoon, as time after time runners were stopped at the line of scrimmage or thrown for a loss. Knowles, Valicenti, and Pricher did nice work for Bates, the latter being a constant threat with his speed. Means and Robertshaw carried the ball for Maine the greater part of the time, although the actual scoring thrust was due to the dual efforts of Favor and Romansky.

Harriers Outrun Garnet 27-32 While Game Is In Progress

Coach Jenkins' varsity harriers came through to give the Black Bear a double victory over Bates last Saturday by defeating the Bobcat cross country team 27-32.

Although three out of the first five men to finish were members of the visiting team, the Pale Blue squad was able to retain the State championship in cross country which it held last year.

Ken Black, star sophomore plodder, crossed the finish line only 100 yards behind Russ Jellison of Bates who is considered one of the best cross country runners in New England. Jellison's time for the five mile course was 27 minutes 48 seconds, while Black's was 28 minutes 2 seconds. Ted Earl almost succeeded in beating Butler to the tape in the race for third place. Olds of Bates finished fifth, and following him were Russ Shaw, Harry Booth, Joe Marsh, and Jim Fuller.

The summary: Jellison (B), K. Black (M), Butler (B), Earl (M), Olds (B), Shaw (M), Booth (M), Marsh (M), Fuller (M), Raymond (B), Corbett (M), Jackson (M), Semetariski (B), Drake (B), Carpenter (B).

"FINDING things out, smarty! I thought I'd examine the tobacco in a cigarette.
"Look here...this is Chesterfield tobacco. Notice its lighter color...you don't see any dark heavy types, do you? I guess that's why Chesterfields are milder.
"I'm told that uniformly lighter color is due to cross-blending. It sort of welds all the tobaccos into one.
"And here's something else. Notice that these long shreds are all cut the same width. It stands to reason they burn smoother and cooler.
"I don't pretend to be an expert but it looks to me as if they make Chesterfields right.
"Here, light one. That's the best test after all. They Satisfy."

Jayvees Score 25-0 Win Over Charleston

A powerful Kents Hill eleven defeated the stubborn Maine freshman team 18-6 Saturday morning on Alumni field. Two of the Kents Hill scores came as the result of an intercepted forward pass and a blocked kick. The game was closely fought and the teams were more evenly matched than the score would seem to indicate.

After an exchange of punts near Maine's goal line in the first quarter, Kents Hill scored on a forward pass. The frosh score came in the third quarter after a sustained drive of 50 yards. A pass from Sargent

to Doherty brought the ball to the visitors' 8 yard stripe and on the third play Sargent scored through right tackle. The final Kents Hill scores came in the final quarter. Littlehale, Doherty and Costa starred for the Frosh, while Hashey's punting was the feature of the visitor's win.

Helen Findley is the newly elected fire chief of Colvin Hall. She is carrying out the family tradition.
